Leo Club Fall Service Log

Leo Member Name: _____ Date: _____

Service Logs are due in December at our Club meeting. Please note, five (5) hours are to be completed by this date, per your Leo agreement. Please make sure to list the name of the Leo Club service project, the date, and the hours worked. You must get a signature of an adult that was present at the service opportunity for credit. These projects are important to track, as part of your agreement as being a Leo Club Member.
