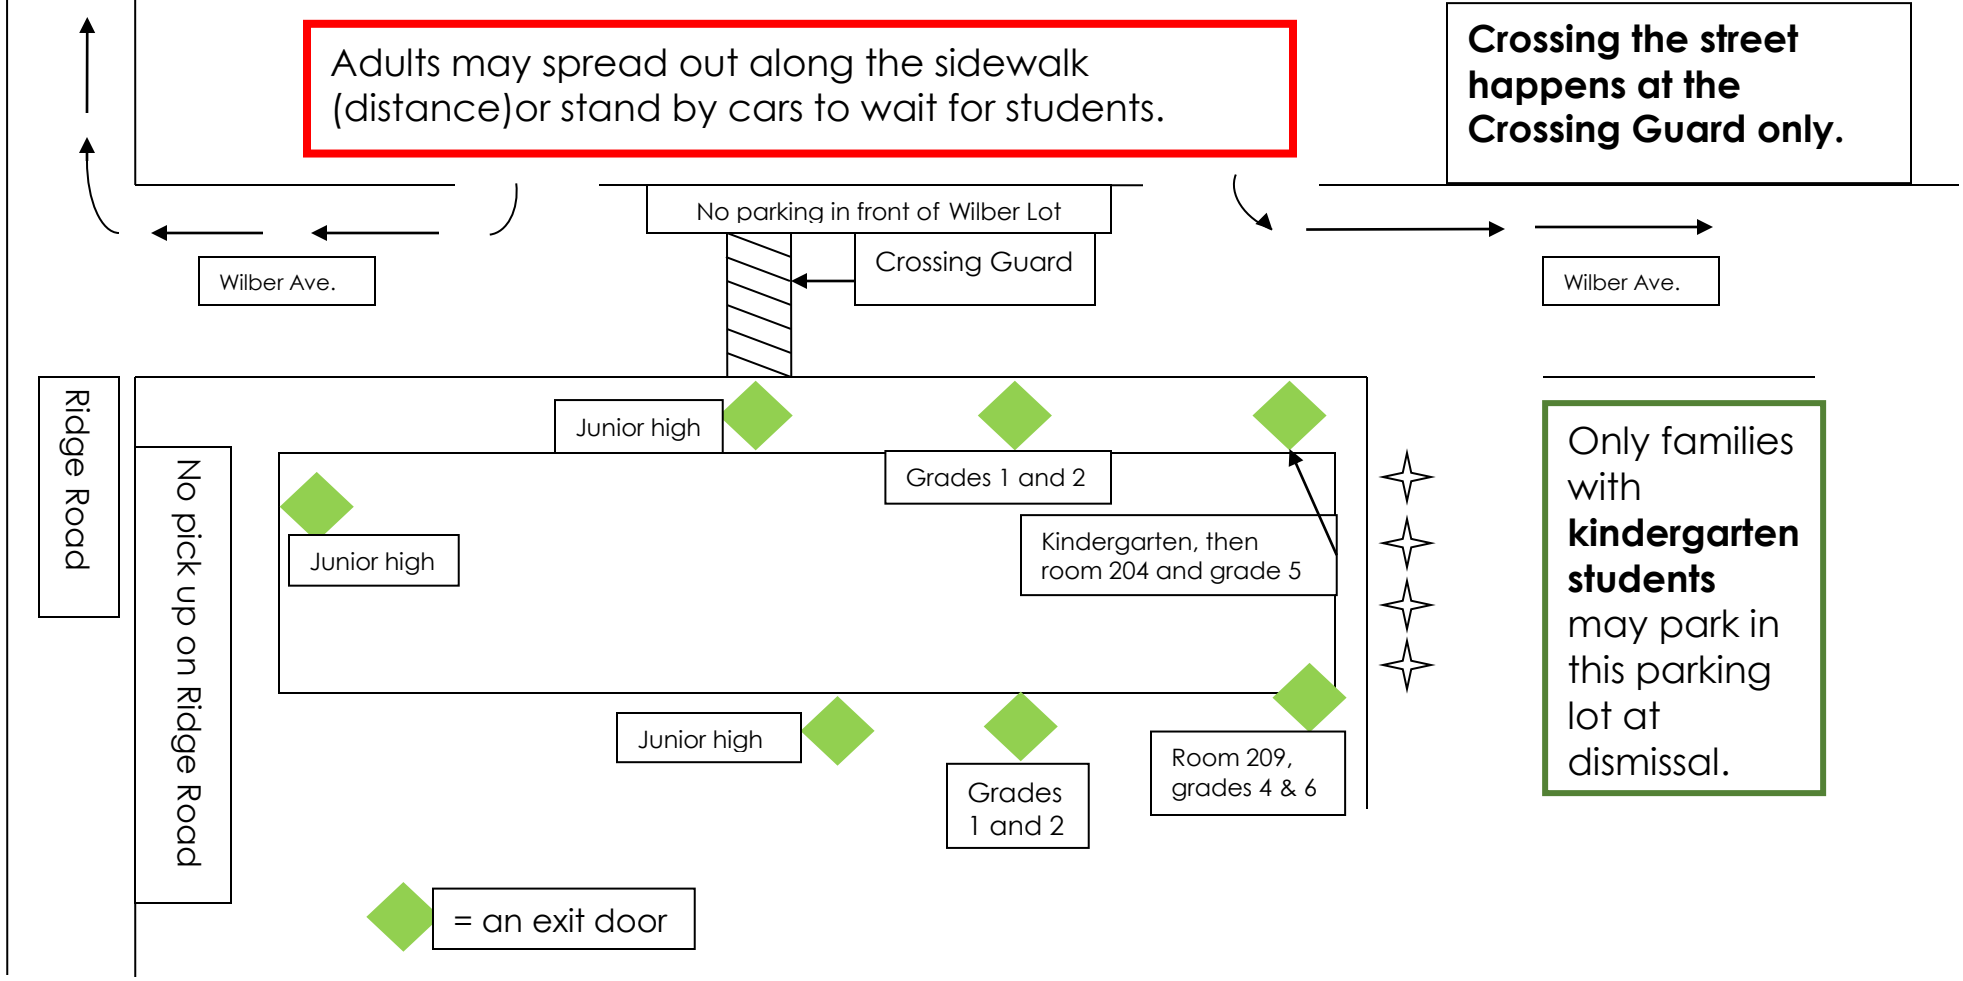
Dismissal - Safety for Saint Charles School students and families

This is the Wilber Ave. parking lot. Please try to back your vehicle in so you can pull out easily/safely and see all people in the lot.

At the end of the day, parents *MUST* wait until the children are safely in their cars before pulling out. This means waiting until *AT LEAST* 2:45 PM.

Adults may spread out along the sidewalk (distance)or stand by cars to wait for students.

Crossing the street happens at the Crossing Guard only.



Only families with **kindergarten students** may park in this parking lot at dismissal.
