Men's Club 2021 Scholarship Program

The St. Elizabeth Ann Seton Men's Club is conducting a competition to award scholarships to deserving college entrants. This flyer will explain the awards and qualification requirements. Please follow the instructions below to apply.

How many scholarships will be awarded?

The Men's Club will award the following:

- One Ed Wall Service Award at \$5,000
- Up to four (4) College Scholarships at \$2,500 each

All Scholarships are one-time awards. Payments are made directly to the students account at the school and not to the student, after enrollment is verified.

What is the objective of the Scholarships?

The purpose of these scholarships is to reward those first year college bound students who have demonstrated outstanding spiritual, civic, leadership and academic qualities. The Scholarship qualification criteria include the following, in order of importance:

- Catholic spirituality and attitude
- Service to the church and community
- Academic accomplishments and honors
- Leadership qualities and positions held
- Extracurricular activities
- Attitudes and aspirations

What is the objective of the Ed Wall Service Award?

The purpose of this scholarship is to reward the one college bound student who has demonstrated the most meaningful and significant participation in church and community service.

- Rank in the top of the college applicants
- Active service to the church and community
- Catholic spirituality and attitude

These scholarships are **not** based on financial need. Although an important criterion is academics, the student need not be at the top of their class to win any of these awards.

What schools qualify?

- Accredited 2-year or 4-year degree granting college or university
- Any North Texas area Catholic High School

Who is eligible to apply?

A student must be a member of a St. Elizabeth Ann Seton Parish registered family or a St. Elizabeth Ann Seton Men's Club family.

Any student who is currently a senior in High School or has graduated within the current school year and expects to attend college in 2021 may apply for the college scholarships. The student must be accepted into and committed to attend a 2 or 4-year college degree program at the time of scholarship **payment**. The student need not have made a final decision on the degree program or school at the time of application. Past high school winners are eligible to apply for the college scholarships. A student may only apply one time for a college scholarship.
