**PASTOR’S PEN**

**Planned Parenthood** has recently been in the news concerning the sale of aborted baby organs and tissue, etc. Pope Francis has called this action “an affront to human dignity.” This week I came across this informative article about other things relating to Planned Parenthood and abortion clinics. I share these excerpts with you!

~Fr. Ralph

**“CULTURE OF LIFE: WITNESS”**

“The front entryway of one of Planned Parenthood’s sites in the San Diego area is shaped like a gigantic wastebasket, like the kind often found under an office desk. How appropriate, for Planned Parenthood is in the business of **trash[ing] human life.** During its 2013-14 year, Planned Parenthood killed 327,653 unborn babies, a staggering number that translates into almost 900 dead every day of the year — including Christmas and Easter. No wonder the wastebasket is so big.

“Planned Parenthood is not the only abortion provider out there. In the aftermath of **Roe v. Wade,** abortion clinics not affiliated with hospitals began to appear throughout the country. At their highpoint in 1991, there were 2,176 clinics nationwide. And whatever the design of their buildings, their mission has always been the same: killing for profit. Though they are often called “clinics” the term is a misnomer, for they do not preserve life. They take it. They are more accurately called “mills,” grinding out a single product: a dead baby.

“In **Roe,** the Supreme Court upheld the states’ right to regulate abortion facilities in the best interest of a mother’s safety. That was a no-brainer, for the states have routinely imposed licensing and inspection requirements on all sorts of businesses, from restaurants, hair styling establishments, tattoo and tanning parlors, and even veterinary clinics. But when it comes to abortion mills, the states have largely taken a hands-off attitude because abortion providers fight restrictions tooth and nail.

“The good news is that they are losing the fight. At the start of this year, there were 739 abortion facilities in the country. The drop in the last few years has been dramatic. Experts attribute the reduction to increased enactment and enforcement of safety laws, increased reporting by pro-life groups of incompetence and abuse, and the financial struggles and retirements of abortionists who are not being replaced by younger doctors. There is another reason: the power of prayer. For example, today there is one less mill to take the lives of unborn babies and maim their mothers: the one in Hinsdale, Illinois. Two women who couldn’t stomach the thought rose in protest, a peaceful protest of prayer. They recruited others to join them, and week after week for 15 straight years, they prayed and offered sidewalk counseling. Until the business sign came down, the prayers continued. Standing on the sidewalk, they witnessed to life at life’s most desperate and sometimes most callous moments.

“For though we rejoice in the success, the success is not what matters. **Witnessing** is an act of faith. Witnessing is an act of trust in the One Who controls everything. **The cause can always use another witness.** Be a witness in one way or another!

Author: Paul V. Esposito is a Catholic lawyer. He and his wife Kathy live in Elmhurst, Illinois and have six children.

Cardinal O’Malley of Boston stated: “If the Planned Parenthood news coverage has caused anyone to experience revived trauma from their own involvement in abortion, be assured that any and all persons will be welcomed with compassion and assistance through the Church’s post-abortion healing ministry, **Project Rachel.** If you or someone you know would like confidential, nonjudgmental help, please visit www.projectrachel.com.”

FAITH FORMATION CORNER

HELP NEEDED
We are currently preparing for the 2015-2016 Faith Formation year and REALLY need your help! There are many ways to get involved:

1. Lead teachers (Catechists) are needed for Kindergarten, 5th Grade and Middle School. It is NOT necessary to have teaching experience to take on this very important role. All you need is a love for children and a willingness to share your faith with them. Training and support will be provided.

2. Aides to the Lead Catechist (all grade levels) – especially needed in the primary grades.

3. Small group leaders for Middle School. In this role, you will lead a small group for discussions and activities. The main teaching is done by the Lead Catechist.

4. Children’s Liturgy of the Word: Adults/high school students are needed to provide the lesson of the day based on the Sunday Scripture during the 10:30 Mass.

5. Small group leaders for High School.

PLEASE consider helping out in one of these areas. This is a GREAT way to strengthen your own faith and grow in your relationship with God and His Church. Contact Amy Golden, Child Minister, at aldgolden@gmail.com or 262-402-8229 for more information.

**St. Vincent De Paul**

In this Gospel, the love that Jesus reveals through the symbol of the cross is: self-giving, sacrificial, healing, forgiving, in solidarity with the weak, confident in the power of God.

**During the hot summer months, many of the elderly, especially those who are sick, are not able to find relief from the heat. Please help the Society of St. Vincent de Paul to bring respite and hope to them.**

**What Is Your Catholic IQ?**

The answer is: a) Community of The Visitation.

*St. Jane Frances de Chantal* was a wife, mother and nun. She had much tragedy in her life: Her mother died when she was 18 months old, three of her six children died in infancy and her husband died after seven years of marriage. *St. Francis de Sales* became her spiritual director and he founded the religious order Jane joined, the *Order of The Visitation.*
