## ASSOCIATE PASTOR'S PEN

In the month of November we take special time to give thanks for the many blessings we have been given. When we think about blessings present in our lives, do we remember to say "Thank You" to God for the gift of our parish communities? Do we consider the teaching, the healing and comfort we receive through practicing our faith together? Do we ponder the joy of celebrating Mass joined as people of God? If we take time to really think and pray, it is easy to see what a gift belonging to a parish really is. It is also easy to see why sharing resources with our parishes falls into the category of giving **and receiving**. Our parishes are the conduit; the channels fed by our sharing which, in turn, make it possible for us to spread the good news to places near and far ministering to those in need and spreading the good news.

(Adapted from the Oct./Nov. edition of **The Vineyard**; A quarterly publication from the Development Office of Archdiocese of Milwaukee and funded by the *Catholic Stewardship Appeal*)

*This is a prayer that I really like. As it challenges us, it makes a lot of sense:*

### A STEWARDSHIP PRAYER

*My church is composed of people like me –  
I help make it what it is.  
It will be friendly, if I am.  
Its pews will be filled, if I help fill them.  
It will do great work, if I work.  
It will make generous gifts, if I am a generous giver.  
It will bring other people into its worship and fellowship,  
if I invite and bring others in.  
It will be a church of love and faith, if I, who make it what it  
is, am filled with these same things.  
Lord, help me to dedicate myself to being all the things that  
I want my church to be. Amen*

*fr chuck*

### GIVING THANKS

Everything good in our lives absolutely comes from God. What is bad in our lives is not from God, but, as you well know, crosses do abound in our lives from various sources and for various reasons. At those times

God comes to help make our crosses positive stepping stones to our salvation and to growth in our lives. So God is never *not* loving us, caring about us, or lifting us up. ***Because we can't save ourselves, God saves us through His Son, Jesus Christ, and His dying and rising.*** Over the years there are many wonderful people that help us, serve us, love us and care for us, and yet not all of these people put together can compare to the work and love of the Lord for us. No one ever forgives us like our God. For example, only God, through the Church and the Sacrament of Penance, can forgive mortal, serious sin. How incredibly blessed we are that that obstacle to our salvation can be destroyed by the power of the cross and the mercy and love of God.

**So the bottom line is that our whole life needs to be a life of thanksgiving to our God. One of the greatest insights that came into my own personal faith life a number of years back is this: *We do not save ourselves by our good works. God saves us; and we serve the Lord and give back to God good works and faithfulness as a "thank you."* So thanksgiving can't just be a once-a-year happening. **Our whole life needs to be a continual thanksgiving.** May you experience the happiness of giving and living "thanks"!**
