CHALLENGE APATHY!

One of the most serious challenges we face in our faith today is apathy. The life-giving power at the heart of our traditions is lost amid the clamor of 21st century life. This year, we can answer the challenge to find ways, some traditional and some innovative, in which we can renew our hearts, our spirits and our lives in the Lord.

CONNECTION...
Statistics show that approximately 7 BILLION text messages are sent every month in America. Just the thought of being out of touch with friends and family is enough to make some people nervous. Staying connected is the way we relate, the way we survive. How important is it, then, to tend to our connection to God? It is up to us to keep that relationship active and strong. This year and maybe looking especially to Lent is the perfect time to spend some serious time reaching out to God in prayer and service. Given attention and encouragement, our personal relationships with the Lord will blossom! It is then that we will be inspired to truly live as faithful stewards. The power of our faith in action, when we are truly connected to God and each other, can change the world!

INTROSPECTION...
We live in a culture that encourages assessment and planning. We have personal trainers and exercise programs to increase our physical fitness. We seek out financial planners to maximize our assets for the long term. We attend seminars and workshops to hone our job skills and increase our employment potential. Hundreds of websites, countless books, magazines, TV and radio programs are devoted to making the most of what we have now, and making sure we have more in the future.

Let this year be a time for assessment and planning; perhaps the most important personal development we will ever do. This upcoming Lenten holy season is our faith workshop, our devotional seminar; helping us to make the most of our current relationship with God and preparing us to grow in faith in the future. Let’s give it our all!

TRANSFORMATION...
This year can be a time of cultivation, a time of growth, a time of transformation. As we move toward the glory of Easter, are we ready to fully embrace the newness of the resurrection? Will we take this opportunity to start fresh in our relationship with the Lord? Responding to our call to live as faithful stewards, opening our hearts to the work of God in our lives, we can do nothing less!

(Taken from The Vineyard: Volume 6, Issue 13 January – March 2016; a quarterly stewardship publication for the Archdiocese of Milwaukee. Minor edits by Fr. Chuck)

On January 3, our St. Bruno community bid farewell to Mark Gould, who musically and liturgically served our parish for the past twelve years. We have all benefited from his professionalism as a Music Director and musician. He was a good planner and worked very hard at having himself and all those he oversaw do music well. His keyboard skills were excellent on both piano and organ and he played a mean trombone, always leading spiritual and faith-filled music for our community. He was/is very talented. He served as a music teacher and a mentor for a great number of people over the years, helping them enhance their skills vocally or instrumentally. He was a good recruiter of voices and instrumentalists for community worship. He brought about an appreciation for various forms of music and invited musicians to come to the parish to lead their music, thus expanding the community’s experience. He did great work and preparation of himself and others for special celebrations & concerts, combining the talents of everyone. Besides his playing skills, he was/is an enthusiastic conductor. In addition to rehearsals, he provided CD’s and other rehearsal aids that he created for those who were singing or playing, including the pastor, who needed all the help he could get. He did a great job of organizing music along a particular theme (from scripture) for the worship that was planned. Mark worked hard to musically involve the worship community in the pews with vocal/prayer participation. His accompaniment of the community was always well done. He wrote a number of compositions and did various arrangements over the years. He was good at giving biblical commentary to the lyrics of a piece of music, bringing out the deeper meaning of the musical text. Mark will be missed! We thank him and pray for him in his future!

~Fr. Ralph

**WHAT IS YOUR CATHOLIC IQ?**

The early Church celebrated four weeks of Epiphany. The first is the Nativity of Jesus; then the arrival of the Magi; then the Baptism of the Lord; and finally, the first miracle of Cana. Only in the third year of the Church’s three-year liturgical cycle do all of these four events line up in this order. This is that year! What does the word *Epiphany* mean? a) Miracle; b) Surprise; c) Manifestation; d) Pilgrimage.

In the Gospel today, at the wedding feast in Cana, Jesus reveals Himself to His disciples and they begin to believe in Him. Every day, God also gives us signs of His love and so we also can respond in faith and trust.

Your gift to the Society of St. Vincent de Paul becomes a sign of God’s love to those who are suffering, and you give them reason to believe and to trust.
