During the month of July, focus on this corporal work of Mercy:

Give Drink to the Thirsty

Across the world, millions of our brothers and sisters go without clean water. Having instant access to clean, fresh water is something we take for granted. Many Midwest-Americans never think twice about how blessed we are to get our 8 glasses a day, to shower when we need, and to keep our gardens blooming. But, there are things we can do to help those without clean water across the globe and those who go hungry and thirsty in our own communities. Here’s how you can give drink to the thirsty this month:

• Examine your water bill and water bottle consumption. How might you cut back?
• Donate to Catholic Relief Services (CRS) to help it fund its water projects.
• Reflect on how we can be good stewards in Pope Francis’ encyclical, “Laudato Si.”
• Participate in the Reverse Giving Collection at St. Paul’s for Kettle Moraine Food Pantry on July 23/24 and 30/31.
• Join the Green Team at St. Bruno as they care for the creation God gave us.
• Get involved - each summer, the St. Paul Peru Ministry provides water filtration systems to the St. Clare Community in Paita, Peru, as part of their medical mission.
• Help the St. Vincent de Paul society provide summer meals for our community kids
• Within our own community, children thirst not only for water, but for opportunity and education. Participate in the August school supply collection for these students.

Blessing for Independence Day

There is a saying, "To those whom much is given, much is expected." That saying is from “Uncommon Wisdom of John F. Kennedy: A Portrait in His Own Words.” That saying should sum up our thoughts as we celebrate the founding of our country. As we look at our history, we may easily see that much has been given to this country, and many have sacrificed to make sure we have kept those gifts. However, our faith informs us that a gift reaches its ultimate good only when it is given away freely.

We have many gifts, and our country has a long tradition of giving many gifts to other nations. Moreover, sometimes it seems as if those gifts are not appreciated. Nevertheless, we continue to give. Let us pray for this great country of the United States of America:

God our Father, from whom all good gifts come, we are thankful for rest and food.
Grant that, in all we do or say, we keep your goodness always in our thankful hearts.
We entreat you to bless all those who work to keep us safe,
and ask your blessings on all those who work to share our blessings with others around the world.
We ask all this in the name of our brother and Savior, Jesus.
Amen.

Have a Blessed Independence Day enjoying our freedoms with your family and friends!

**St. Vincent De Paul**

In the Gospel today we see how Jesus sent his Apostles out two by two. In this spirit, the Society of St. Vincent de Paul members “go out two by two” to visit those who are poor and needy in their homes. It is there, in the family setting, that Vincentians listen, offer humble advice, and render assistance.

Know that the members of the Society of St. Vincent de Paul bring your gift directly to the poor and suffering in our parish.

**What Is Your Catholic IQ?**

The answer is a)

Give Drink to the Thirsty does not just mean to offer a glass of water to a family member. You can donate to organizations that help provide safe drinking water such as the Office of World Mission Water Project. Practicing water conservation in your home is another way to assure there is water for others. (Of course, you could drink wine instead!)
