FROM YOUR
PASTOR ‘S PEN

Are we able to give without first being grateful?

Somehow, as I think about this, I think the answer is “no”. Before we can reach out and give what we have we are grateful for having. When we walk down the street and give something to someone who asks, isn’t there at least a split moment that we are grateful for having that ability to give. When we offer our time in ministry, are we not first grateful for what we receive and for our time that we are able to give? When we give that smile to someone passing by, are we not grateful for something in our day, for the smile we receive from that person, for the breath that we are able to take? When we give consolation to someone, are we not thankful for the relationship that we have with at person?

When we are on the receiving end of any of this, are we not more readily willing to then give? Why? I dare say it is because of our gratitude that we were shown/received mercy, care, love.

Before we give we are grateful for our many blessing/gifts that we receive. Understanding that ALL is gift can give us a new perspective on life. Take a moment (or many moments) each day to be thankful for something. As we grow in gratitude we grow in generosity of the gifts that God has given us of the love that He extends constantly and we can share so easily. As we give our gifts, are we not actually being an extension of the hand of God in giving what he has already given us?

And who wouldn’t want to be a helpmate of God?

~Fr. Chuck

In the Gospel, Jesus teaches us that God is our “Father” and just as a parent’s love for their children is unlimited, so is God’s love and care for us unlimited.

This week, as you give your gift to the Society of St. Vincent de Paul, know that you are showing them that God loves them and that he is indeed their “Father.”

**SUPPORT FOR SENIORS**

(Workers are welcome too!)

The mission of Interfaith Senior Programs is to engage and support Waukesha County seniors in leading meaningful lives. Interfaith volunteers can be requested to drive you to healthcare appointments, pharmacies and grocery stores. If you live alone or are homebound and cannot easily visit with friends and family, we have a way to get you socializing! Have an administrative task that you need help with? Interfaith volunteers can help with that too. Interfaith volunteers can come to the client’s home to give a caregiver a break. Volunteers would also be happy to help if you need assistance with a minor home repair. Our volunteers can also mow the lawn, rake leaves, or shovel snow. SPARK! AIR is a program for caregivers and loved ones with beginning to mid-stage Alzheimer’s disease and other forms of dementia through the use of cultural programming made possible by an artist in residence program. Please see the Interfaith website for more information.
