If the feast of Mary’s Assumption means anything it is an assertion of faith that there is a heaven which is the culmination of the salvation won for us by Jesus Christ, which is the goal of human life. It is not a theory, not wishful thinking, but a fact realized bodily in the Virgin Mary. That is what the Church asserted in proclaiming her Assumption as a dogma of faith. “The Immaculate Virgin, preserved free from all stain of original sin, when the course of her earthly life was finished, as a dogma of faith. “The Immaculate Virgin, preserved free from all theory, not wishful thinking, but a fact realized bodily in the Virgin of faith that there is a heaven which is the culmination of the salvation every human being transfigured, made capable of eternity. That is the ultimate vocation of rise from the dead and has taken into heaven has, in Him, been resurrecunion of the union between Son and Mother. It had to be that, at only when we pass through death to new life in Heaven follower of Jesus begins, with Mary, to share in his risen ascended life through her, on the path that will bring us to be with her Son forever. Those who acknowledge Mary to be our Mother, we can find our way, those who belong to Christ, we have already one foot in heaven; as Church, because Mary in heaven is Mother of the Church, the life of wills us to have

OLD BIKES WANTED

Did you know that often the difference between homelessness and having a better future is personal transportation? But without money the difficulty of finding reliable transportation is nearly impossible. Sister MacCanon Brown and her ministry in the inner city of Milwaukee have come to realize this problem and are asking for bicycles because bikes are easy to maintain and very efficient for mobility. They are in great demand. This is where I need your help. We could use any bikes in any condition. If you have a bike to offer, please call Deacon Joe and make arrangements to donate with him. Please pass along this message to others who might be able to generously donate their bicycle. Thank you for your constant generosity and may God Bless your consideration, Deacon Joe Senglaub, 262-442-7888

**Children’s Liturgy of the Word**

We are in DESPERATE need of people who are willing to lead Children’s Liturgy of the Word. This is a part of the 10:30 Mass—Children leave Mass to hear the Gospel in a way that helps them to understand that God is speaking to them. This time includes reading the Gospel, doing an activity or project to help them understand the Gospel, and praying petitions together. The Children LOVE this time together—but right now we only have one volunteer to lead this—which means the children get this opportunity only one time a month. It’s not a hard thing to do, and you are given all of the materials and training to help you do this. High school Juniors and Seniors are welcome to do this too. Your commitment is once a month, September through May.

**Please consider being a part of this GREAT ministry.**

**What Is Your Catholic IQ?**

**The answer is:**

A pyx is the container used to take Holy Communion to people unable to attend Mass.

**Why do we do that?**

**Catholic Traditions Explained**

**Question:** Why do we have a feast for the Queenship of Mary?

**Answer:** For many of us, the language of kings and queens may seem like they belong to history or a medieval movie. Royalty have absolute authority over a kingdom and their subjects, a concept that is foreign to many of us today. While Jesus doesn’t rule a political kingdom, we honor and recognize him as the King of Kings, Lord of Heaven and Earth. To God alone belongs absolute authority over all of existence.

We may think of queens as the spouse of the king, but there is another key relationship: the king’s mother. In Biblical history, we see instances where the mother of the king is given due as a queen herself, complete with a throne! Mary’s guiding influence over her Son is seen most notably in the Wedding Feast at Cana. Mary is not Queen on her own merit. She is “full of grace” and “blessed” in “all ages” because of the reign of her Son.

Twentieth Sunday in Ordinary Time

*With love for your neighbors who have nothing, look around your house to see what furniture, household items, and clothing you no longer use...and give it to the Society of St. Vincent de Paul.*

**LIVE the Liturgy - Inspiration for the Week**

“Show me what is physically different between a host that is consecrated and one that is not.” These are words that can be heard on the lips of anyone struggling with faith. Perhaps, they are heard on yours. Physical tests will reveal no difference. The difference is seen through faith. In one sense, it is simple. Either we believe that the risen Christ is present -- soul and divinity -- or we do not. The fruits of faith are the proof. In the Eucharist, God enters into the very depths of who we are. However, it is our choice whether we ignore what He does or act fully upon it. The Eucharist can change us. When people see that we are different, they in turn will themselves believe.
