EVERYDAY STEWARDSHIP
RECOGNIZE GOD IN YOUR ORDINARY MOMENTS

I oftentimes say in prayer, "Grant me the wisdom to see Your will for my life and the courage to follow that will." It is a request for true discernment to see that God's will is always more important and fruitful than my own will. It is easy to fall into the trap of thinking happiness and fulfillment lie in doing what I want to do and following my own wants and desires. Our entire secular culture is filled with that message. However, that road has led too many to a place of emptiness and regret. I must pray to keep in the forefront of my mind that God created me on purpose and for a purpose. Being wise of emp'gNIDness and regret. I must pray to keep in the forefront of my happiness and fulfillment lie in doing what I want to do and follow-frui'gNINul than my own will. It is easy to fall into the trap of thinking I o'gKKEen'gNIDmes say in prayer, "Grant me the wisdom to see Your will for

for anything to steal our joy away. Our purpose is found, our aim is

seeking assistance from the St. Ben’s Meal Program! Please bake or buy, but bring your cookie donations to The Gathering Place Kitchen on or before Sunday, Oct. 28th before or after Mass. Thank you!

We are showing the movie "Power In My Hands" at 6:30pm in St Bruno's Gathering Place. This movie was produced locally and released internationally by the Rosary Evangelization Apostolate. It features information about Mary's message through various Marian apparitions over the years. You'll hear witness from a number of people, some international, some local, about their experience of the power of prayer in their hands praying the Rosary. In the Catholic Church, the month of October is dedicated to the Holy Rosary. Pray the rosary this month and plan to join us for this unique movie. www.thepowerinmyhandsmovie.com

**Is the Church Relevant?**
It’s a tough question many are asking today. Relevant to who and why? If it does not seem relevant to me today, why should it? If the Catholic faith and teachings really are a road map for a holy way of life and the core of that life is expressed within a family unit, we must not be afraid to ask the tough questions. Regardless if you have been a devout Catholic your whole life or you are struggling to believe any more, we invite you to join us for a night of laughter and learning as we explore the critical questions of relevancy and dialogue about concrete ways to strengthen the relational bonds for both our household and Church family.

See you November 7, 6:30-7:30pm, St. Paul Church featuring Rich Curran, Parish Success Group. Families of all ages are welcome, applicable to children grade 6 and up. Childcare will be provided. Fellowship to follow in the St. Paul Cafeteria.

29th Sunday in Ordinary Time

In the Gospel today Jesus tells his disciples: “Anyone among you who aspires to greatness must serve the rest; whoever wants to rank first among you must serve the needs of all.”

When you give the furniture, household items and clothing you no longer use to the Society of St. Vincent de Paul, you give hope to your neighbors who have nothing.

**WHAT IS YOUR CATHOLIC IQ?**

The answer is: b

Conscience is a judgment about what is right or wrong. This moral law comes to us from Scripture, Catholic Tradition and the natural law. We need to use our conscience when we vote on November 6.

Thanks to a parish member who reads the IQ and found an error for October 7.

Please note: There is a correction for the October 7 Catholic IQ: Respect Life Sunday was initiated in 1972 by the American Catholic bishops, not Pope John Paul II, who was pope from 1978-2005. Pope Paul VI was pope from 1963-1978.

**IT IS THE LITURGY - INSPIRATION FOR THE WEEK**

Are we content and satisfied with the bare minimum and essentials of our faith, or do we desire excellence and proficiency? The Ten Commandments represent the minimum and, if we are honest with ourselves, are pretty easy to keep. The fullness of the Gospel, however, is another story. Truly living as Jesus taught often comes with great self-sacrifice, self-emptying, and possibly leaving the things of this world behind. Are we ready to pursue this kind of life? God wants us to live and love abundantly not superficially. Love asks that we extend ourselves beyond the status quo and the bare minimum and venture into that which is risky, countercultural, and even radical. What we possess can no longer be important. When Jesus laid this out before the rich young man, he went away sad because he had much. When Jesus lays it out before us, how do we react?
