EVERYDAY STEWARDSHIP - RECOGNIZE GOD IN YOUR ORDINARY MOMENTS

Training for the Race

If you were going to run a race, wouldn’t you need to train? My wife is not a runner, but a few years back, she wanted to participate in a race with my youngest son. She embarked on a journey which included a healthy diet, exercise, and a lot of running. After several months, she was ready. The race came and went but what remained was a sense of accomplishment. She would have never made it through that event if not for her training. When the time came, she was ready.

Our life in Christ is a race of sorts. It is not a race that starts and stops again and again but one that continues from our baptism until eternal life with him (hopefully). Even though we never stop the race, we do have moments where we need to hydrate, take nourishment, and gain strength. That’s what we do at the Mass and in our parish community. It is in our parish where we find what we need to keep running that race.

The problem is that too many assume we only are running the race when we are involved with the parish. Living out our discipleship in stewardship is not only to be done in the Church. In fact, what we do in the Church is to prepare us for what we are called to do during all the times we are not at Church. We encounter Christ in his Church so that we may bring him into a world that needs him. In community, we train and take nourishment so that we have any chance of running the race every day. Don’t let your stewardship stop at the church doors. Outside those doors, the race is on!

Anointing of the Sick November 3rd

Anointing of the Sick will take place at after Masses on Sunday November 3rd
St. Paul 9:00 a.m. & St. Bruno’s 10:30 a.m.

In the Epistle of St. James we read “Is anyone sick among you?” Let him call for the elders of the church; and let them pray over him, anointing him with oil in the name of the Lord”. If you would like to be anointed please remain in your seat after the service.

One of our parishioners, (we will call her “S”), spotted a young mom with restless children sitting in the gathering place during mass. Recalling the struggle of those days when her children were spirited and she had a hard time finding peace during mass, S reached out with crayons and paper to redirect the childrens’ energies. This young mom was so grateful. S told her she was glad she was here with her young family. S made her feel welcome, like she BELONGed. It can be hard to practice what we BELIEVE when our kids are so spirited at mass! S shared a small act of kindness and evangelization all at the same time and is not sure if this young mom will be back, but planted a seed that we pray will inspire that little family to BECOME the people God intended them to be. We all have a part to play in God’s story of salvation history, please join us on 11/13 from 6:30-7:30 p.m. in church to hear about sharing our stories of faith. Fellowship will follow. Thirtieth Sunday in Ordinary Time
In this Sunday’s Gospel, the tax collector’s prayer allows God to be God and so allows God to pour mercy into his heart. When we pray and give alms to the poor, we allow God’s mercy to be poured into their hearts.
In the month of October, through your gifts, the Society of St. Vincent de Paul was able to bring God’s love and mercy to many families, providing money for food, rent bills, etc. Thank You!

LIVE THE LITURGY - INSPIRATION FOR THE WEEK

God’s justice is not about seeing that people get what they deserve, good or bad, reward or punishment. God’s justice is about the restoration and alignment of relationships: our relationship with God, one another, our very selves, and creation. Sin distorts relationships, and justice brings them back into focus. God’s justice is all about taking responsibility for who we are and the relationships that are inherently a part of our lives. What happens to my brother or sister, God’s created world, and myself are extremely important for me to consider and factor into my decision-making. We are called to the virtue of humility, to see ourselves as one among many not one over many. Cooperating so that the world operates as God intends is the order of business for the day.
