

**St. Bruno's Green Team**  
Minutes for Meeting held at St. Bruno's School  
**Thursday May 12, 2016**

Meeting was called to order at 7:07 pm by Bill

Members present were Jean and Bill Bosenbecker, Don and Mary Monteleone, Kathy Plaisance, Tom Pinter and Floss and Dick Whalen.

The Laudato Si' prayer was read in unison as the opener for the meeting.

A discussion regarding the outcomes of the Donut Sunday sponsored by the Green Team (April 16-17, '16) indicated:

1. Pretty good attention to the lawn/lawn maintenance display provided by the Wauk. County Green team.
2. Kids were interested in display of vegetable characteristics
3. Photo display attracted "wow" interest
4. The event as a recruiting tool for membership in St. Bruno Green Team was not very successful.

Jean reported on contact with Fr. Chuck to tentatively set up a Donut Sunday with St. Paul's. There was discussion of how best to encourage collaboration with St. Paul's, esp. regarding the Green Teams activities. Can we share our Thursday meeting Day? Is there a clever name to refer to the combined Green Team?

Consensus emerged regarding the GT picnic, and after speculating about who, where and when it appeared that a Friday afternoon/evening in June would be best, with a survey circulated about which day would be best. Considerations to be given about availability of Frs. Chuck, Ralph, Dick and their schedules. Suggestion that Joe Meyer be invited. Floss suggested "Jerry", a new member of Greener Oconomowoc with a slide program, might be possible. There was a reminder of the Fair Trade event on November 13.

Bill announced that Tall Pines has scheduled a "Ride to the Barns" event for Aug 20, and Green Team assistance was requested.

Bill reported on conversations regarding a county-wide alliance of Greener organizations promoting sustainability.

Tom Pinter offered the closing prayer at 8:17 pm.

Respectfully Submitted by substitute recorder Dick Whalen.
