OLD BUSINESS

Parish Raffle follow up: Jim reported that approximately \$15,700 taken in and expenses (prize money) \$7,500 for an \$8,200.00 profit! Handing out the tickets to everyone attending Mass worked fine. It eliminated a lot of prep work and of extra unused tickets. We'll use this same system next year along with the 6 week sale cycle that we used instead of the 8 week timeframe used in the past.

Betty Igl reported that in 2018 New Member Signup – there were 20 new families. She mentioned there is a booklet given out to them. Perhaps more follow up to these new parishioners to make them more comfortable and welcome. Parishioners have a tendency to stay longer and visit than when they pick up a cookie and leave.
