*“While the world changes, the cross stands firm.”*

Our Parish leadership continues to monitor and respond to the developments surrounding the Coronavirus. We are following the guidance from the Archdiocese of Milwaukee and the Centers for Disease Control. Please consult the CDC, Wisconsin Dept. of Health and local media for up to date information for your own personal preparedness and overall community developments. Our number one priority is the safety and well-being of all our community members.

We will continue to update this website with changes as new developments arise here at St. Bruno Parish. Please be sure to click on the calendar box at the bottom of this page for any scheduled events.
