WHAT WERE YOU LIKE AS A STUDENT?

I attended Archbishop Hoban High School in Akron, Ohio. I am currently attending Waukesha County Technical College for an associate's degree in Early Childhood Education and University of Wisconsin-Whitewater for my bachelors degree in Early Childhood Education and Special Education. Some clubs that I participated in were Athletic Training, Choir, Naeyc, and Early Childhood. I also have a certificate for Athletic Health Care. My favorite subject in school was History.

WHY DID YOU DECIDE TO BE A TEACHER?

I decided to teach because I love children and I wanted to be the person who helped shape them to be the best person that they could be and also learn all the wonderful things that they get to learn. I have always wanted to teach either second or third grade. Fourth grade was just a bonus! I've always wanted to teach younger kids. I don't think that has changed for me. My teaching philosophy is I believe that that education should be a process of ongoing growth, not just a preparation for becoming an adult. This revolves around the students' needs, including teaching students to be good citizens as well as good learners, a concept known as focusing on the whole child.

WHY DID YOU BECOME A WILDCAT?

I selected St Bruno Parish School because I moved to Wisconsin almost two years ago and I started to come here for mass. I knew I wanted to be a part of the school in some way. I really love the feeling of a community - everyone coming together and being able to laugh and talk. I have been at St Bruno Parish School since the beginning of the school year. I think kids should look forward to having me as a teacher because learning is not just about books and tests but it's about learning the things that we can become passionate about.

HOW WERE YOU CALLED TO CHRIST?

I participate in the faith community by attending RCIA classes through St. Paul Parish to continue my faith and be able to be confirmed this Easter Vigil. My favorite bible verse is:

Deuteronomy 31:6 “Be strong and courageous. Do not be afraid or terrified because of them, for the LORD your God goes with you; he will never leave you nor forsake you.”

The saint that I like the most is Saint Rose of Lima.

HOW DO YOU SPEND YOUR TIME OUTSIDE OF SCHOOL?

I work at Marshalls on the weekends. Most of my time is filled with studying or homework and lesson plans. I also work out to better myself and my health. I am attending confirmation classes and learning to play the ukulele.

WHAT DO YOU WANT PEOPLE TO REMEMBER?

“Never let the fear of striking out keep you from playing the game.”

Meaning - We go through so many ups and downs in life whether it's at school or at home. But we should never give up on ourselves. We should always believe in ourselves and our dreams.
