Interview with Robin Wohlfeil

Music Teacher

Robin.Wohlfeil@stbrunoparishschool.com

WHAT WERE YOU LIKE AS A STUDENT?

High School: Oconomowoc Senior High

Waukesha County Technical College: Associate Degree Applied Science - Registered Nurse
(Suzanne Coyle Memorial Award for Exemplary Academics and Nursing Character Award)

Concordia University: Bachelor of Science, Nursing

Carroll University: Bachelor of the Arts, Music (Graduated cum laude)

University of Wisconsin Milwaukee: Post Bachelor Teaching Certificate (currently enrolled)

All of my college credits were earned as a working adult with a family.

My favorite subjects are English and Music.

WHY DID YOU DECIDE TO BE A TEACHER?

I have always wanted to teach; always loved kids. I became a nurse first with the goal to be a pediatric nurse, however I found that working with very sick children was too sad so I took care of older adults instead. After many years working as a nurse, I decided to become a teacher and considered becoming a nurse educator or a special education educator or a music educator. I chose music because I love it!

My teaching philosophy:

Music is for everyone!

Everyone can learn!

WHY DID YOU BECOME A WILDCAT?

I like Saint Bruno because of the small, family community.

I've been teaching music as a private studio teacher since 2007, but this is my first year teaching in a school.

HOW WERE YOU CALLED TO CHRIST?

I grew up in a Christian home and family where faith was highly valued.

Love, acceptance and prayer

are the aspects of faith that I like to try to live out.

HOW DO YOU SPEND YOUR TIME OUTSIDE OF SCHOOL?

I have six grandchildren (4 boys, 2 girls) and a seventh grandbaby due to be born in June 2020! I take care of the younger ones on Fridays and any other time I can! I have a special needs brother for whom I am a guardian. I take care of his financial needs and monitor and guide his health and wellness at his group home. I visit him in Reedsburg, WI as often as I can!

WHAT DO YOU WANT PEOPLE TO REMEMBER?

**Music is a universal language,
uniting us all!**
