

**DIOCESE OF ROCHESTER AND ITS AFFILIATED EMPLOYERS
BACKGROUND CHECK
NOTIFICATION and AUTHORIZATION for VOLUNTEERS**

PREFACE

In response to the issue of sexual abuse of children by those in the employ of the Church, the United States Bishops in 2002 adopted the *Charter for the Protection of Children and Young People*. One of the provisions of the *Charter* calls for each diocese in the country to implement checks to determine if a current or prospective volunteer who works with minor children and youth has a criminal record or is listed on any sex offender registry. The Diocese extends that protection to vulnerable adults too. Because these checks are conducted on behalf of the Parish/Diocese by a third party they are subject to the Fair Credit Reporting Act; however, these checks **do not** seek information related to an individual's credit history or credit worthiness. The purpose of the check will be to verify the individual's identity and to ascertain if there is any previous criminal record. **A report on your credit history will not be requested or obtained.**

It is important to note that the purpose of this authorization form is to obtain background checks to help maintain a safe environment for children, young people and vulnerable adults. In order for these record checks to occur, the authorization must be signed. The Fair Credit Reporting Act provides the opportunity to address any negative information gained as a result of the criminal record check. In addition, by signing this authorization the individual does not waive any rights under the Fair Credit Reporting Act.
