

Application for Security Team

Your interest in being part of the parish security team is greatly appreciated. Our goal is to provide the safest environment possible for worship and other activities, but to do so in a manner that does not interfere with coming together for liturgies and events.

As with all volunteer positions at Emmaus, it is necessary for you to complete the Ethics and Integrity Ministry (EIM) application and to attend an EIM workshop. In addition, the questions below will help to determine your experience level, suitability, and willingness to participate in various positions on the security team.
