

June 26, 2020

Dear Parents,

Attached to this email you will find a letter from our Superintendent, Debra Haney, which discusses the plans from the Archdiocese regarding the reopening of schools.

At St. Theresa, we continue to work with our team of dedicated teachers, staff and parents to re-open in the safest, most accessible way possible. As previously stated, we are designing several options for returning to learning in August. Of course our most preferred option is to welcome ALL our students back to campus, while implementing safer health practices to minimize contamination and reduce the spread of germs. We are currently ordering additional supplies for increased sanitizing, as well protective equipment to further minimize the spread of germs.

We also understand that some families are concerned about resuming on-campus learning in August and would prefer to continue Distance Learning. Therefore, we WILL offer families the option to continue Distance Learning in August. Our committee is working on improving the Distance Learning experience and Live Streaming classroom instruction for students who wish to continue instruction from home.

In the event that the Governor restricts classroom sizes for the fall, we have analyzed all available spaces on campus and have a plan to adjust classroom spaces to still accommodate ALL students on campus every day!

We will continue to develop a robust plan to meet the specific needs of our St. Theresa students and families. We will keep the health and wellbeing of all our St. Theresa families in our prayers! Please feel free to reach out to me with any questions or concerns.

Blessings,

Melissa Ilski | Principal
