

March 1, 2021

Good Afternoon Families,

We are very grateful to our families who are taking serious measures to ensure the health and wellbeing of their family and our school family by following social distancing and healthy practices at home too, as well as quarantining when necessary. PLEASE keep this in mind as you make your Spring Break plans and continue to observe all the safety protocols that have been so successful. If all families continue to commit to these high standards and safety practices, we can continue to provide safe on-campus instruction.

We will continue to follow any travel restrictions and/or quarantines imposed by the city and encourage families to avoid travel if possible. As such, we will follow the Presidential Executive Order of January 21, 2021, requiring international travelers to follow the applicable CDC COVID-19 guidance.

What does this mean for anyone traveling internationally?

1. International travelers, regardless of mode of travel, will be required to quarantine upon return.

- **Individuals who test for Covid-19 three to five days following return from travel must stay home for seven calendar days.**
- **Individuals who do not test must stay home and quarantine for ten calendar days.**

2. Families who plan to travel internationally should submit the Spring Break Travel Survey below.

If your family is traveling internationally for Spring Break, please complete this form by March 5, 2021 [STCS Spring Break Travel Survey](#)

Please feel free to reach out with any questions!

Blessings,

Melissa Ilski | Principal
