

3/2/21

Good Afternoon All,

Today Gov. Abbott made the announcement that Texas will be open 100% starting next Wednesday, March 10th. One of the implications of the re-opening, is that masks will no longer be a required state mandate.

However, as a private institution, St. Theresa will continue to make site-based decisions to ensure the health and safety of students and staff while on campus. **Therefore, ALL students and staff will continue to be required to wear masks while on campus.** This policy will continue until school administration notifies families of a change in policy.

We appreciate your help and support as we strive to keep our campus healthy.

Blessings,

Melissa Ilski | Principal
