### School Information

This month **awareness** day was dedicated to the The Ronald McDonald House. Many students brought in their \$1 donation and dressed in red and yellow to bring awareness to the families in need. The Ronald McDonald House will receive \$283 donation from our students. It is always such a blessing to be able to support others especially during the season of giving!

The Texas Children Hospital Toy drive was a huge success. A big thank you to all of the families that participated. Your gifts will bring sunshine to many children at Texas Children Hospital this Christmas Season!

# CHRISTMAS MINDFULNESS

## Counselor's Corner

The students did a great job learning about persistence this week and how this will help them reach their goals. In addition how persistence ties into **self-esteem** and why it is important to stay positive. This next week students will be learning about kindness and empathy while doing fun Christmas activities.

This week's mindfulness activity is Christmas themed. First have your child sit comfortably and tell them they will be breathing like Santa. Have them take a deep breath then and when they release say ho ho ho and then repeat till they feel jolly and merry.

Have a wonderful week.
