## WEATHER ALERT!

Due to freezing weather next week, St. Theresa will be closed Monday and Tuesday. Monday was already a student holiday (staff in-service day). On Tuesday all students will participate in asynchronous learning for the instructional day. By transitioning to a virtual instruction day on Tuesday, we will not need to add any additional make-up weather days to our already extended calendar!

We would like to thank everyone that participated in the Souper Bowl of Caring. Between the church and school a truckload of food was collected for our charity partners.

## Self-Esteem

### **Counselor Corner**

The students have been enjoying valentines activities that focus on building self-esteem. Next week we'll be talking about respect, why it is important to respect others, and how it can benefit you throughout life.

This week's mindfulness exercise requires a box of the conversation hearts candy. First take a few hearts from the box. Focus on each color and the smell of the candy. Next read the message on the heart to yourself and focus on the meaning to build self-esteem. After, eat the piece of candy while noticing the taste.

Repeat as needed!
