School Information

Today we celebrated our Grandparents and the people that have a special place in the lives of our students. Sister Symphonie and the students produced a very touching video to show how much we LOVE our Grandparents. We would like to thank our PTO for all of the work that was put into making today a very special day for the students and their families.

"We need to take care of our children and our grandparents. Children and young people are the future, they are the strength, those who take us forward. They are the ones in which we place our hope. Grandparents are the memory of a family, they are the ones who gave us the faith, transmitted to us the faith." - Pope Francis.

Ultimate Survey

As Catholic Schools week comes to an end we thought we would take this opportunity to send out a survey to better understand how we can improve the Catholic education we offer.

With this in mind, we invite you to take the time to complete the short satisfaction survey included in this link. We want to keep your response anonymous and are therefore not asking for your name. Our plan is to conduct this short satisfaction survey at least once a year.

Catholic Schools Week Community Service Project

Tim Chapman, son of Australia and father of Sebastian (5th), Isaac(3rd), and Christian(PK4), spoke at Morning Assembly this week about the devastating fires in Australia and the impact on its people and wildlife. They are in desperate need of funds to help care for the wildlife that have been injured and displaced by the devastating fires in Australia. Our goal is to raise \$3,000 (about \$10 per student)

Thank you to everyone who has donated so far! As of today, we have raised **\$1,929.78!** We will continue to collect funds through Monday. If you would like to send a check, please make it out to St. Theresa Catholic School. Please help us help the Australian wildlife!
