## School Information

In celebration of Dr. Seuss birthday we thought it would be fun to share a quote or two!

"Here are some who like to run. They run for fun in the hot, hot sun." Dr. Seuss

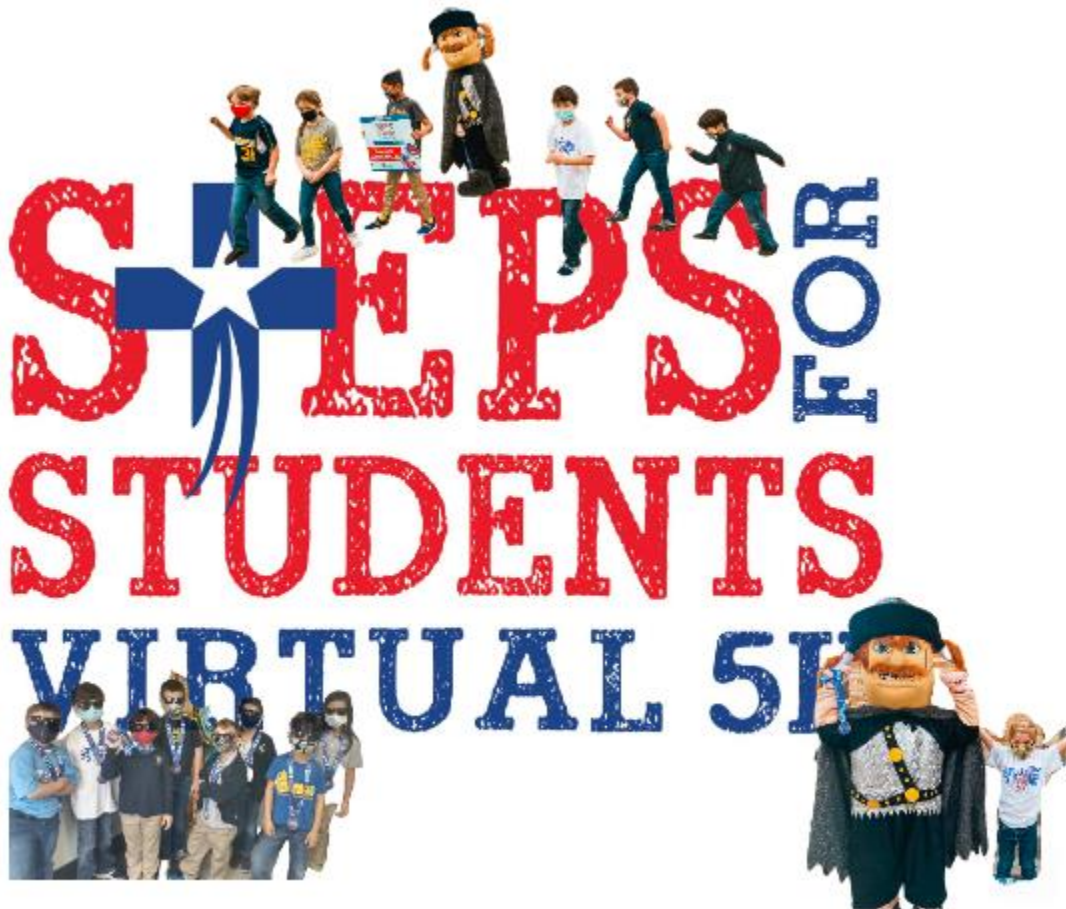

"You have brains in your head. You have feet in your shoes. You can steer yourself any direction you choose. You`re on your own. And you know what you know. And YOU are the one who`ll decide where to go..." Dr. Seuss

Speaking of running, There was a tie for student registrations! Congratulations to Mrs. Tran's PK4 and Ms. William's 1st grade class!

We are so proud of our St. Theresa Steps Team. We had 144 students that registered to run 5K! As of this morning the team has raised over \$9,300.

## Counselor Corner

I hope everyone had a wonderful week. The students worked hard to identify the difference between empathy and sympathy this week. We did fun activities about walking in another's shoes. Next week we'll be discussing how to develop resilience when faced with stressful situations.

This week's mindfulness activity can be done outside. First go outside with your child and ask them to notice the temperature and look around at the different plants. What colors do they notice, and is it getting warmer? Next ask them to look for 10 different signs of spring and tell you what they have discovered. This can help children refocus on the moment when feeling overwhelmed and take a break from intense emotions.

Have a great week,  
Kirstie Carmichael LMSW
