Students that registered to run the Virtual 5K will continue to run their laps during PE Class through March 6. Students will be competing by time and fundraising, so encourage that training and round up some sponsors to pledge donations for the laps they run! 6 laps around the field equals 1 mile, so students will be running over 18 laps! Share your fundraising page with family. They can sponsor a lap or cheer you on as you complete your first 5K Run!

**ALL PROCEEDS FROM REGISTRATION AND INDIVIDUAL TEAM
FUNDRAISING PAGES GO DIRECTLY TO OUR SCHOOL!**

Counselor Corner

Hello and I hope everyone is having a great week and recovering after the winter storm. This week the students focused on respect for objects, buildings, and people. Each class worked hard to identify ways to be more respectful and how respect is important through all stages of life. Next week we will be talking about empathy.

This week's mindfulness activity is a fun activity for rainy days to help refocus energy and build awareness of surroundings. Teach your child to become more aware of their body and their movements. Tell them to pretend they're walking on thin ice and they have to move slowly and carefully around the room. You can bring more awareness to their movements by pretending you're a radio announcer. Say things like, "You're picking your right leg up slowly and carefully putting it back down."

Have a great week,

Kirstie Carmichael LMSW
