Standardized Testing

Standardized Testing continues next week. Students in grades 2nd, 4th, and 6th will take the *CogAT, Cognitive Abilities Test* From Monday, April 26th to Wednesday, April 28th.

** Due to the strict standardization of testing requirements and time constraint, make-up testing will be extremely limited. In the event that a student is absent during the testing period, every effort will be made for the student to make-up the testing section(s) missed only if the absence is considered excused (see attendance policy for additional information.) In the case of an unexcused absence, the student will **NOT** be able to make-up the section(s) missed.*

Parents can learn more about standardized testing by reviewing the power-point on the STCS website. It can be found under the LRC tab and is titled, *Standardized Assessments - Iowa & CogAT*. Link: <https://sttheresaschool.cc/learning-resource-center>

Counselors Corner

Hello everyone and I hope you had a wonderful week. The students did a great job with testing this week and next week we will be talking about study skills and time management.

This week's mindfulness activity can be done inside or outside playing.
Slow-Fast-Slow

With mindfulness, we practice slowing down, so we don't feel so rushed all the time. The next time you're at the playground, try playing "Slow-Fast-Slow." Whatever your kids are doing — playing in the sand, running through tunnels — have them try to do it slow, then fast, and then slow again. Talk about what it felt like to do something slowly. Did it feel different? Did you notice something you hadn't before when you were playing fast? Did you like moving more slowly, or do you like to be quick?

Have a great weekend,
Kirstie Carmichael LMSW

We will have the lost and found available for rummaging outside of the Gym on **Tuesday, April 27 from 11:00am to Noon**. Please stop by and see if you can find that lost jacket or tie!
