HAVE A WONDERFUL

Mother's Day

School Information

We would like to thank our wonderful PTO parents for the delicious treats that were brought in throughout the week for Teacher and Staff Appreciation Week. We are grateful for the outpouring of love and care!

Field Day is next week! This year field day will look a little different. Instead of having a one day event on Friday that lasts all day, students will participate in activities in the morning until their scheduled lunch. Below is a list of when each grade will participate.

Monday, May 10th: PK3 and PK4
Tuesday, May 11th: Kinder and 1st
Wednesday, May 12th: 2nd and 3rd

Thursday, May 13th: 4th and 5th

Friday, May 14th: 6th, 7th, 8th

With breaking up the school into two grades (with the exception of Friday), I will be able to spread out the students around campus. Each student should come to school dressed in their field day shirts and shorts. Some of the events for the classes have water. It might be best to bring a change of clothes that day. It's going to be a fun time!

**Learn about food allergies,
and how serious they can be**

Did you know that 32 Million American have life-threatening food allergies including 5.6 million children under age 18. That's one in 13 children, or roughly two in every classroom? or that every 3 minutes a food allergy reaction sends someone to the emergency room? On Monday May 10 students are encouraged to come to school dressed in a teal t-shirt or their viking spirit wear to bring awareness to food allergies. To learn more about food allergies visit <https://www.foodallergy.org/>.

**ORDER YOUR YEARBOOK
RECOGNITION AD TODAY!**

The Submission deadline is May 13th, 2021

1/2 Page \$150

1/4 Page \$75

I hope you all are doing well and staying healthy. I wanted to remind you about purchasing an **ad page** for your child. Ads are only available for purchase by parents/guardians of students in **Kindergarten** and **8th grade**.

It's been a long and hopefully not too rocky road, and your child is almost moving on to High School or graduating Kindergarten. As hard as it is to accept it, they are growing up. Before they start their next chapter, show them just how proud you are of them for all of their hard work and incredible accomplishments, with an ad in their yearbook. You can add personal photos, special memories, and a unique message to honor and congratulate them in a way they'll be able to cherish for years to come.

Click the link below and follow the steps to create your page.

#197

Disney Princess Party

Princess Party

\$25 15 Remaining

The image shows a ticket for a Disney Princess Party. At the top left, there is a black box with the number #197. The main part of the ticket features a pink background with the text 'Disney Princess Party' in a cursive font. Below this, there is an illustration of seven Disney princesses in their signature dresses. At the bottom of the ticket, the text 'Princess Party' is written in a simple font. In the bottom left corner, there is a price tag that says '\$25' and a grey box that says '15 Remaining'.

The Princess Party is on May 18
Only 14 tickets available
Your little princess will not want
to miss Princess Belle!
OPEN TO PK3-KINDER

Counselor Corner

The students did a great job learning how to be safe on the internet and never give out personal information. Next week we will learn about sportsmanship.

This weeks mindfulness exercise is a outdoor activity. Everyone loves bubbles! Blowing bubbles is a fantastic way to get children to focus on their breath. Have your child inhale a big, deep breath. When they slowly exhale into the bubble wand, have them watch how the bubble grows. If they exhale too quickly the bubble will pop. See how big they can grow their bubbles. Watch the bubble as it floats away, where does it go, does it pop on the ground, whose bubble goes the farthest?
