School Information

Congratulations to our winners from the First Annual St. Theresa Library Poetry Contest.

1st place: Chloe McCorkle

2nd place: Akanbelie Abagi

3rd place: Max Mullervy

All the entries were creative, well-written and thoughtful.

Thank you to all of our participants!

Mrs. Techmanski

Around Campus

Throughout the week students balanced things on their head on a spoon, while sitting standing, running, skipping! So much FUN was had by all BIG and SMALL alike! We would like to thank our Coaches for putting together all of the FUN FIELD DAY activities!

Mass

We will have a May Crowning in the church prior to school mass on **Wednesday, May 19, 2021 beginning at 8:10 am**. The mass in the church will be attended by the 3rd, 4th, and 5th grades. All other classes will be viewing the procession, crowning, and mass from their classrooms to accommodate the current COVID restrictions. The start of mass will begin at around 8:30 am in order to allow for this special rite.

We are asking that students bring flowers to school in the morning on Tuesday and Wednesday, and turn those into their homeroom teacher. Those flowers will be collected and brought to the church by designated staff/students as part of a procession starting at 8:00 am on the day of the May Crowning. The flowers will be placed around the statue of Mary which will be placed near the altar in the church, and left there during mass. The actual crowning of Mary will take place after the procession, and when all of the flowers are in place.

Students not in the church will be able to see the flowers they bring placed near Mary by way of the video feed in the classrooms.

As Catholics we are asked to honor Mary during the month of May and to give extra dedication to the prayer of the Rosary. We need to take the time to honor her for being the perfect disciple and Queen of the Universe. A May Crowning is a tradition that allows us to do just that, and we invite everyone to participate.

Counselor Corner

The students did a great job learning how to be safe on the internet and never give out personal information. Next week we will learn about sportsmanship.

This weeks mindfulness exercise is a outdoor activity. Everyone loves bubbles! Blowing bubbles is a fantastic way to get children to focus on their breath. Have your child inhale a big, deep breath. When they slowly exhale into the bubble wand, have them watch how the bubble grows. If they exhale too quickly the bubble will pop. See how big they can grow their bubbles. Watch the bubble as it floats away, where does it go, does it pop on the ground, whose bubble goes the farthest?

Kirstie Carmichael LMSW

Middle School

Every year the students spend six weeks learning the court system during Social Studies Classes by participating in a Mock Trial. Our 8th Grade students took on the role of judge, lawyers, and witnesses. This year the students tried an armed robbery case and our defendant, Sydnie V, was found not guilty by a jury of 7th graders.
