

# Peek of the Week

Fund the Mission of St. Theresa 

May 24-28, 2021

**St. Theresa**  
**Catholic School**  
*in Memorial Park*

## School Information

On Wednesday before Mass the students processioned into the church each holding flowers to place around the altar in preparation for the crowning ceremony. The ceremony then continued with the crowning of Mother Mary as she is seen here with the beautiful crown made of white flowers. If anyone would like to stop by for a visit, statue and flowers will remain in the sanctuary through the end of May.

As the end of the school year quickly approaches we wanted to be sure to thank the Villamayor Family for all of their support this year with the liturgical music for the School Mass. It has been such a blessing to have them play so beautifully each week at our School Mass. The Family has been such a blessing to our Parish and School. Throughout the years they have taught Faith Formation Classes, have provided the sound equipment and produced the music for our School Theater Arts Program, their son Lorenzo participated in the Catholic School Got Talent Competition, and they also helped out with the School Choir. We ask that you join us in thanking the Villamayor Family for all of their support this year and for all that they do for St. Theresa!

*"To love is to give everything and to give oneself."- St. Therese Lisieux*

### **Counselor Corner**

Greetings all, we had a great week talking about self-care and every student was challenged to try one act of self-care daily. This next week we will be talking about the end of the school year and transitions to the next.

This week's mindfulness activity is 20 end-of-the-school-year questions to have your child stop and reflect on their accomplishments during this challenging year.

1. What is something we did this year that you think you will remember for the rest of your life?
2. What is something you accomplished this year that you are proud of?
3. What was the nicest thing someone in our class did for you this year?
4. What was the most challenging part of this year for you?
5. Where is your favorite place in our classroom (or school)? Why?
6. If you could change one thing that happened this year, what would it be?
7. What are three things you did this year to help your classmates?
8. What are the three most important things you learned this year?
9. What is something that was hard for you at the start of the year but is easy now?
10. In what area do you feel you made your biggest improvements?
11. What is your favorite part of the day in our class? Why?
12. What is something you taught your teacher or classmates this year?
13. Of the books you read this year, which was your favorite? Why?
14. What was the best piece of writing that you did this year? Why do you think it is your best?

15. What person at our school has made the biggest impact in your life this year? Why?
16. What is something the teacher could have done to make this year better?
17. What are six adjectives that best describe this school year?
18. Knowing what you know now, if you could write a letter to yourself that would travel back in time so that you would receive it at the start of the school year, what advice would you give your younger self?
19. When you consider the rest of your life, what percentage of what you learned this year do you think will be useful to you?
20. What advice would you give students who will be in this class next year?

Have a wonderful weekend,

Kirstie Carmichael LMSW
