

Peek of the Week

Fund the Mission of St. Theresa 

May 3-7, 2021

School Information

This week was full of exploration and celebration for all! Our PK3 students had a show and tell of plants, flowers and leaves from their garden. The students had a lot of fun exploring and painting with flowers. Students were so excited to celebrate Mrs. Ilski today as they arrived at morning car pool! Mrs. Ilski would like to thank everyone for all of the delicious treats and beautiful flowers! Happy Principals Day Mrs. Ilski!

We would like to thank everyone for supporting the 2021 Polo Gala & Auction. We would also like to thank the committee members for putting together such a successful event! Thank you for your commitment to our School and for all that you do for St. Theresa! This year the Paddles Up raised a little over \$38,000. To learn more about the Science Lab be sure to watch the video posted here where Mrs. Fox talks about the vision for the lab [Watch Video](#)

Counselors Corner

We had a great week talking about time management and study skills. Students worked hard creating schedules and to-do lists. Next week we will be going over internet safety.

This week's mindfulness activity is a fun summer activity to think about kindness. You can make a free lemonade stand with your children and discuss kindness and generosity by helping others. Ask questions about the feelings they have by helping others on a hot day.

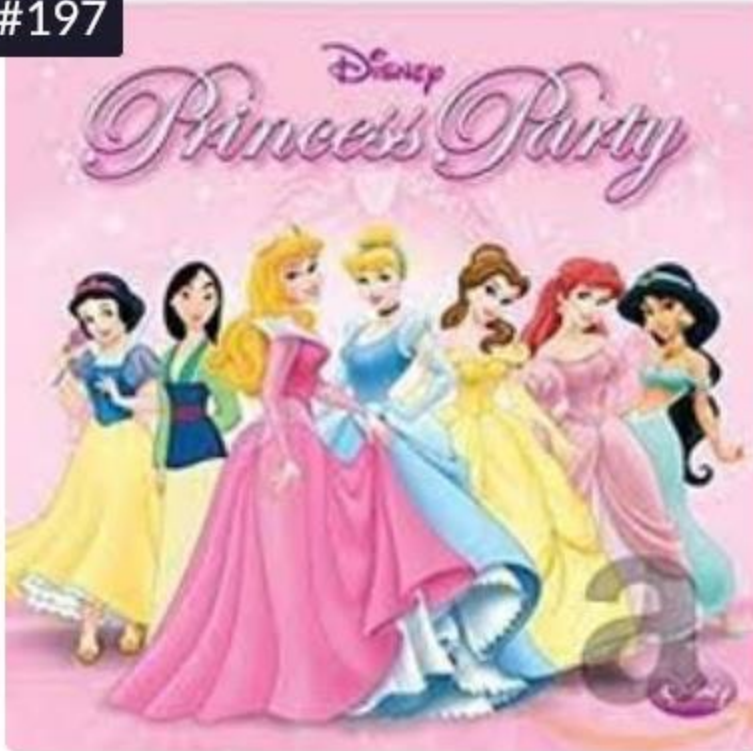

Have a great weekend,
Kirstie Carmichael LMSW

School Board

We would like to thank everyone that participated in the school board discernment on Tuesday. Please join us in welcoming our new school board members that will begin their term for the 2021-2022 Academic School Year; Crystal Frommert, Kelly Glanding-Woefel, Ashley-Rachelle Horstman, Claudia Mundell, Marc Schroder, Andy Taylor.
