

Peek of the Week

August 26 - 30, 2019

School Information

Hey, did you know...our Library Renovation was lovingly completed by Alair Homes Houston and many wonderful volunteers. We are excited to begin unpacking the 5,000+ titles we moved from the old library when the new library shelving arrives. And thanks to the generosity of our parents we have over 300 new books to add to our collection to replace the 3% of our titles that were "weeded out" in preparation for the move. Weeding is the systematic removal of materials from a library collection in order to eliminate outdated, non-circulated and damaged materials. This process keeps a library collection fresh, engaging and creates space for new titles.
