

Texts for Typical Junior Classes

Holy Trinity asks its students to purchase or rent their books to prepare them for college when they will be encouraged to write in and mark up their assigned texts. Please use *this document* and *a list of your scheduled classes* when acquiring the books you will need for the year. If you do not see a class that you are enrolled in on this list, check the additional lists for electives or other grades, as it may be listed there instead. You may buy new or used books, as you prefer. There will be a used textbook sale during the summer to purchase used books from other students if you choose to participate in it.

The best way to ensure that the correct book is acquired is to search using the provided ISBN numbers.
