STATEMENT OF CAUTION

As a condition of participation in sports activities, it is important that parents and guardians understand the potential risks involved. The possibility of injury and accidents are a very real part of sports participation. It is the intention of Saint Anne Catholic School to provide all sports participants good instruction, safe equipment, and safe transportation.

CAUTION: *Participation in any athletic or sports activity may involve injury of some type to either yourself or a fellow student athlete. Such injury can include direct physical and possible crippling injury to one's body and the possibility of emotional injury experienced as a result of witnessing or actually inflicting injury to another. The severity of such injury may range from minor to catastrophic injury such as complete paralysis or one's future ability to earn a living, to engage in other business, social and recreational activities, and generally to enjoy life.*

Activity injuries can result from the incorrect or correct performance of playing techniques used in tryouts, practices, warm-ups, games, drills, exercise and similar undertakings. Injury can also result from failing to follow game, training, safety or other team rules. Injury can also result from the use of transportation provided or arranged by the school to and from games and practices.

Therefore, the purpose of this caution is to aid you in making an informed decision as to whether you and your student should participate in these sports activities. In addition, the purpose of this caution is to encourage you to ask questions regarding any concerns which may arise before, during, or after a particular sports season.

By signing this document, you acknowledge that you have read and understand its contents and warning related to the above stated risks and give permission for your child to participate in interscholastic sports activities.
