

Special Thanks

We would like to send out sincere thanks to our generous businesses and individual sponsors who helped make this year's Golf Outing a success!

Annual St. George Church golf outing on August 4th was a tremendous success due to the support of many parishioners and members of the local community. This event is the major fundraiser for St. George Church and we ask all parishioners to join us in thanking the families and businesses that helped make it a success. Please remember to support by your patronage the local businesses that support us!

August 15 Holy Day Mass Online for the Homebound

Is someone you love unable to join us at Church for the August 15 Holy Day Mass in celebration of the **Assumption of the Blessed Virgin Mary**? Please invite anyone you know who cannot get out to church to experience the spiritual comfort of this joy-filled Catholic Mass. Online video will be available all day at

www.HeartoftheNation.org. (For those who can get to church, the online liturgy will not fulfill the Holy Day Mass obligation.)

A minister parked his car in a no-parking zone in a large city because he was short of time and couldn't find a space with a meter. Then he put a note under the windshield wiper that read: "I have circled the block 10 times. If I don't park here, I'll miss my appointment. Forgive us our trespasses."

When he returned, he found a citation from a police officer along with this note. "I've circled this block for 10 years. If I don't give you a ticket, I'll lose my job. Lead us not into temptation."

Ever - Ready

by Triona Doherty

Nowadays, many houses have security systems. We can have our homes monitored, 24 hours a day, to make sure they are safe. The really advanced systems even allow us to tap into the cameras from our mobile phones. We don't have to stay awake all night in case someone tries to burgle our home – the system takes care of everything. There are so many technologies available whose focus is to help us be prepared for all eventualities; we have apps for everything from predicting the weather to alerting us to traffic delays.

There are no such luxuries in the parables. The men who are waiting for their master to return from the wedding feast cannot afford to sleep. They won't receive an alert to their phone when their master arrives home. They have no option but to wait up. In the short parable of the householder and the burglar, Jesus again emphasizes the importance of 'standing ready.'

Of course, Jesus is not really talking about watchmen and burglars, or being physically prepared; he is talking, rather, about spiritual alertness. It might seem morbid, but ask yourself this: if you were to die tonight, would you be ready? Your answer might tell you something about the areas of your life that need work. Another way in which we can be 'ever-ready' is to be open to the Holy Spirit. When our hearts are alert and open, we are more likely to see God's goodness in those we meet, and be ready to welcome his grace into our lives.

We could not imagine being without our gadgets and apps and all of the things that make our lives easier. Valuable though they are, there is something more valuable – indeed priceless – at stake.

Volunteers Needed

Volunteers are needed to join the Cemetery Committee. If you are willing to join us help preserve our Cemetery, please contact Maria, Monday - Thursday, 482-4640.

Come to pray the rosary at Planned Parenthood the second and fourth Fridays of the month. Planned Parenthood is located on Prince St. in Monticello.

A handful of ladies and a few priests attend regularly and we are being harassed by the "Pink Ladies". They make fun of the priests calling them perverts, they play loud music in the ears of the people praying the rosary and one man grabbed one of our signs and threw it in the street. We need your help!!
