

Our Lady of Fatima: Our Mother Comes To Us

The *International Pilgrim Statue of Fatima* will be arriving at St. George on November 11th.

“In 1946, we crowned Our Lady of Fatima as Queen of the World; and the next year, through her Pilgrim statue, She set forth as though to claim Her dominion; and favors She performs along the way are such that we can hardly believe what we are seeing with our eyes.” -Holy Father, Pope Pius XII

This Statue was the sixth one carved for this purpose decades ago and traveled to all parts of the world many times over. To my knowledge, there are 15 of these traveling statues. We are very privileged to receive one of the earlier carved ones here in the Archdiocese of New York..

Mass times will be posted at a later date.

Thus understanding and love, that is, the knowledge of and delight in the truth, are, as it were, the two arms of the soul, with which it embraces and comprehends with all the saints the length and breath, the height and depth, that is the eternity, the love, the goodness, and the wisdom of God.

—St. Bernard

I used to be a terrible worrier. You know the type. Somebody who actually worries about not worrying! I have improved hugely however. It would be hard not to as time, experience and faith have stood me well. Virtually all of the things I have ever worried about have never become a reality and for this I am grateful.

Generally, I have always liked to believe I am quite rational, but the head and the heart can sometimes be at odds with one another, so when I was in my 'worry maze' the reasoning side of me always knew that my worries, in the main, were idle, but a tiny, annoying voice would say 'maybe this time'. That's where wonderful friends come in. I am blessed to have lots of truly genuine people in my life who 'tell it as it is'.

A lovely friend of mine once berated me for 'worry worming'. He was a man of faith, and during a telling off from him (a necessary one!) he said, 'For God's sake Sally, would you listen to yourself; You talk a lot about your faith but you are certainly not putting it into action. Absence of faith is fear and absence of fear is faith.' Take a minute to process this. Good isn't it? That simple but hugely profound sentence has come to my rescue time and again and I would go so far as to say that it is the reason I don't really worry any more.

Because I do have the incredible gift that faith is, and, as in Luke, it has increased my joy, my serenity and my peace. Every prayer is an act of faith in God and faith that whatever happens in this life, God and I will deal with it together. To me, faith and gratitude are the best insurance policies against getting trapped in the insidious net of worry.

Don't worry ... have FAITH! And wonderful friends!

Annual Report of Mass Attendance OCTOBER 19th & 20th

This is the weekend for the **Annual Report on Sacramental Participation**. We will have a Mass attendance count on **October 19th & 20th**. It is very important for our church that we show our support on this weekend and have a large turnout at all Masses

Come to pray the rosary at Planned Parenthood the second and fourth Fridays of the month. Planned Parenthood is located on Prince St. in Monticello.

A handful of ladies and a few priests attend regularly and we are being harassed by the "Pink Ladies". They make fun of the priests calling them perverts, they play loud music in the ears of the people praying the rosary and one man grabbed one of our signs and threw it in the street. We need your help!!
