

Our Lady of Fatima: Our Mother Comes To Us

The *International Pilgrim Statue of Fatima* will be arriving at St. George on November 11th.

“In 1946, we crowned Our Lady of Fatima as Queen of the World; and the next year, through her Pilgrim statue, She set forth as though to claim Her dominion; and favors She performs along the way are such that we can hardly believe what we are seeing with our eyes.” -Holy Father, Pope Pius XII

This Statue was the sixth one carved for this purpose decades ago and traveled to all parts of the world many times over. To my knowledge, there are 15 of these traveling statues. We are very privileged to receive one of the earlier carved ones here in the Archdiocese of New York..

Mass times will be posted at a later date.

Thus understanding and love, that is, the knowledge of and delight in the truth, are, as it were, the two arms of the soul, with which it embraces and comprehends with all the saints the length and breath, the height and depth, that is the eternity, the love, the goodness, and the wisdom of God.

I Wish You Goodness

by Jane Mellett

'Gratitude unlocks the fullness of life. It turns what we have into enough, and more. It turns denial into acceptance, chaos to order, confusion to clarity. It can turn a meal into a feast, a house into a home, a stranger into a friend.' **Melody Beattie**

What a difference an 'attitude of gratitude' can make! Pope Francis has spoken of the importance, in family life, of saying 'thank you.' Of course, it is not the words that are important but the intention and meaning behind them. To say thank you means 'I appreciate you.' The Irish for thank you, *go raibh maith agat*, is much more expressive than the English. It translates, 'May you have goodness,' or, 'I wish you goodness'. It serves to soften and deepen a relationship.

Today's Gospel is often described as a story about faith, and it is true that Jesus emphasizes the faith of the man who was healed. But it is also very much a story about gratitude. The man who turns back to Jesus has had his life transformed, and he is eager to thank him. I was always puzzled by the meaning of the last words spoken by Jesus: 'Your faith has saved you.' Surely, he had already been saved from his illness, as indeed had the other nine who showed no gratitude? They all received the same gift. But by thanking Jesus, the Samaritan man has entered into a relationship with him; he has become his friend and disciple. That is what Jesus means when he says he has been saved.

Gratitude is an important part of faith. What blessings do you have to be grateful for today? Have you let God know?

Annual Report of Mass Attendance OCTOBER 19th & 20th

This is the weekend for the **Annual Report on Sacramental Participation**. We will have a Mass attendance count on **October 19th & 20th**. It is very important for our church that we show our support on this weekend and have a large turnout at all Masses

Come to pray the rosary at Planned Parenthood the second and fourth Fridays of the month. Planned Parenthood is located on Prince St. in Monticello.

A handful of ladies and a few priests attend regularly and we are being harassed by the "Pink Ladies". They make fun of the priests calling them perverts, they play loud music in the ears of the people praying the rosary and one man grabbed one of our signs and threw it in the street. We need your help!!
