

Our Lady of Fatima: Our Mother Comes To Us

The *International Pilgrim Statue of Fatima* will be arriving at St. George on November 11th.

“In 1946, we crowned Our Lady of Fatima as Queen of the World; and the next year, through her Pilgrim statue, She set forth as though to claim Her dominion; and favors She performs along the way are such that we can hardly believe what we are seeing with our eyes.” -Holy Father, Pope Pius XII

This Statue was the sixth one carved for this purpose decades ago and traveled to all parts of the world many times over. To my knowledge, there are 15 of these traveling statues. We are very privileged to receive one of the earlier carved ones here in the Archdiocese of New York..

Mass times will be posted at a later date.

Young Adults in our County!

Our parish will be hosting some special guests on November 2nd & 3rd. Members from four regional Hudson Valley Catholic young adult communities will be joining us to speak about community and what it means to them. Their purpose for visiting is to engage our young adults and help them start a young adult community of their own here in Sullivan County. Not only will they invite them to become involved, they will also give them a special invitation to an event they will be hosting here in the county so that they can bring together all of our young adults. If you are a young adult college aged (18) to 39, it doesn't matter what state in life, single, married, divorced, widowed, single parent... we invite and encourage you to be at Mass that weekend to meet these young adults on fire for their faith and who love the community they are members of.

Crying out

The judge in the parable we hear today is hardly a role model. He delivers justice to the widow, not because he cares about her but because he wants to get rid of her. He acts out of selfishness. This unjust judge is in contrast with God, who is full of compassion, particularly for those who are most in need. When his people cry out, God hears their pleas.

On the surface, the parable is about the need to pray and not lose heart, and the faithfulness of God. But like many of Jesus' parables, it has many layers. It also teaches us about justice, and how we should respond to those crying out for justice.

At the time of Jesus, widows were one of the most vulnerable groups in society; many were left without resources after the death of a husband. In our own country and in other parts of the world, millions of people continue to cry out for justice. Are we like the unjust judge, burying our head in the sand and simply hoping they will go away? Do we offer a half-hearted response, just to make ourselves feel better? Or is our response rooted in a real sense of justice and compassion?

'May God bless you with discomfort
At easy answers, half-truths,
And superficial relationships...

And may God bless you
With enough foolishness
To believe that you can
Make a difference in the world,
So that you can do
What others claim cannot be done
To bring justice and kindness
To all our children and the poor.
