### Young Adults in our County!

**Our parish will be hosting some special guests on November 2<sup>nd</sup> & 3<sup>rd</sup>.** Members from four regional Hudson Valley Catholic young adult communities will be joining us to speak about community and what it means to them. Their purpose for visiting is to engage our young adults and help them start a young adult community of their own here in Sullivan County. Not only will they invite them to become involved, they will also give them a special invitation to an event they will be hosting here in the county so that they can bring together all of our young adults. If you are a young adult college aged (18) to 39, it doesn't matter what state in life, single, married, divorced, widowed, single parent... we invite and encourage you to be at Mass that weekend to meet these young adults on fire for their faith and who love the community they are members of.

### The meaning of life

After the Second World War, a Greek man named Alexander Papaderous founded an Institute of Peace and Understanding on the island of Crete, as a response to the atrocities that had taken place there during the war. One day, while taking questions at the end of a lecture, someone asked him 'What is the meaning of life?' In response, Papaderous took a small mirror out his wallet, and said: 'I am a fragment of a mirror whose whole design and shape I do not know. Nevertheless, with what I have I can reflect light into the dark places of this world – into the black places in the hearts of men and women – and change some things in some people. Perhaps others may see and do likewise. This is what I'm about. This is the meaning of my life.'

Papaderous was a person of great humility, aware of how small and seemingly insignificant each one of us is, but full of faith that we can still do great things. Like the tax collector in the parable we hear today, he was aware of his unworthiness, but open to light and hope.

In today's Gospel we are invited to put ourselves in the shoes of the Pharisee, who regarded himself as superior to others, and the tax collector, who throws himself on the mercy of God. Which of them sees the bigger picture?
