

St. Francis Church Fall Raffle!

Due to the coronavirus pandemic and continuing social distancing guidelines the St. Francis Church annual bazaar has been cancelled. While we will certainly miss the good times had each summer at the weekend's festivities, our parish is open and celebrating Mass and the sacraments. We rely on your continued support to keep our parish running and our churches properly maintained and looking their best.

This raffle will support St. Francis Church. Tickets are available now for a raffle to be held during the month of November. We hope to sell 1000 tickets! Contact Joe Anne Baker, jbaker18@hvc.rr.com or the parish office for more information.

A Prayer for our Military:

Almighty God, we commend to your gracious care and keeping all the men and women of our armed forces at home and abroad. Defend them day by day with your heavenly grace; strengthen them in their trials and temptations; give them courage to face the perils which beset them; and grant them a sense of your abiding presence wherever they may be; through Jesus Christ our Lord. Amen.

Please pray for the following Military Personnel who are currently in active duty service:

SRA Sean Graham, USAF
LT Kyle Daugherty, USMC

Our goal is to provide prayer support and recognition for the men and women of St. George - St. Francis parish serving on active duty in the United States Armed Forces. We pray for their health, well-being and safe return.

Parish families who have an active military member, please email the parish office and provide their name, rank and which branch of service.

Respect Life: End of Life Decisions

During this time of pandemic, many people are making end-of-life decisions and are in need of support. The Respect Life Office, in collaboration with the Public Policy Office, has been working to educate people on the dangers of the "living will" which pressure patients to forgo treatment. Especially while our healthcare system is overwhelmed, we must guard against these documents which can lead to subtle forms of euthanasia. The best way to prepare for end-of-life decisions is to designate a health care proxy. A health care proxy form and other helpful information can be found on our website. <https://lifeofficenyc.org/>

Today's Gospel is the conclusion of the instructions and consolations that we have heard Jesus offering to his disciples during the past few weeks. In this passage, Jesus summarizes both the costs of discipleship and its rewards. Once again our understanding of the Gospel is strengthened by considering the context in which it was written and the perspective of Matthew's audience.

The conditions of discipleship outlined in Matthew's Gospel may appear harsh. Yet they underline for us a truth—choosing anything with one's whole heart has consequences. Choosing life with Christ means that every relationship we have must be understood from a new perspective. For many in Matthew's community, this choice brought division to their family.

Matthew also outlines the reward of hospitality offered to Jesus' followers. In today's Gospel, Jesus explains the difficulties of discipleship, yet reveals that those who welcome the disciples have also welcomed him.

Today's Gospel also highlights for us the importance of hospitality in the Christian life. To welcome another in Jesus' name is to extend hospitality to Jesus himself. We have many opportunities in our daily life to reach out to others, to be a welcoming presence and a sign of God's love.
