MYRRH AND FRANKINCENSE

The gifts brought by the Magi were both appropriate and expensive. The value of gold is obvious but what of the other presents? Myrrh is an aromatic substance made from the sap of Myrtle balsam trees found in India, Africa and Saudi Arabia. It is a natural antiseptic and useful as a medicine. Egyptians used myrrh for embalming mummies. It is now used for toothpaste and mouthwash.

Incense is a hardened gum that also comes from trees found in the same areas. The word "Frank" comes from an old French word that means "marked." It is a stamp that the incense is "free" from contaminants or "pure". (Franking is still used for free mail rights given to members of Congress.) Incense was used primarily to cover up the smells caused by animal sacrifices. Hence it was connected with worship.

THE HOURS OF THE PASSION: Enclosed is a section from the Divine Will Prayer Book. The purpose of the insert is to introduce you to the Divine Will and the benefits of meditating on the Hours of the Passion, in hopes that you will join us when we do the Hours of the Passion daily during Lent (beginning in March). Exact time and dates will be announced as it gets closer.
