REGARDING KITCHEN USE: Thank you to the ladies who came in and gave the kitchen a much needed thorough cleaning last week. A reminder to anyone who uses the kitchen.... two of the biggest complaints are dishes left in the dishrack and uncovered or old food left in the refrigerator. The kitchen should be clean and everything put away so the next group doesn't have to clean before their event. This includes wiping off the counters and tables. Thank you.

THE HOURS OF THE PASSION: March 27-April 19 at 6:00 p.m. in the Chapel. Jesus said: *"If they meditate on these Hours together with Me and with My own Will, I will give them a soul for each word they recite. For the greater or lesser efficacy of these Hours of My Passion is measured by the greater or lesser union that they have with Me (while meditating on these Hours). In meditating on these Hours with My Will, the soul conceals itself within My Will, and since it is My Will that is operating (in the soul), I can (through this soul) engender all the blessings I want, even through one single word. I can do this each time the soul meditates on these Hours."*

**A Flaming Torch
Passed Between
Those Pieces**

ABRAHAM'S SACRIFICE.... God has called Abraham to leave his home and begin a thousand-mile journey to Egypt. The patriarch responds favorably, so the Lord makes a Covenant or pact of friendship with him. The agreement is literally signed in blood in an ancient ritual. When two people wanted to make an accord they would divide a group of animals and walk between the carcasses. This made a blood bond between the individuals in the agreement. Abraham makes such an arrangement. He enters into a spell--a deep darkness--and has a vision of God. The Lord appears as a flaming brazier and moves between the sacrifices. The antiquity of this ceremony befits the time of the patriarchs, just after the second millennium B.C.
