**YEAR THE YEAR OF ST. JOSEPH...** In making his declaration, Pope Francis noted that this year marks the 150th anniversary of the saint's proclamation as patron of the Universal Church by Pope Pius IX on Dec. 8, 1870.

Pope Francis said the coronavirus pandemic has heightened his desire to reflect on St. Joseph, as so many people during the pandemic have made hidden sacrifices to protect others, just as St. Joseph quietly protected and cared for Mary and Jesus.

"Each of us can discover in Joseph -- the man who goes unnoticed, a daily, discreet and hidden presence -- an intercessor, a support and a guide in times of trouble," the pope wrote.

He also said he wanted to highlight St. Joseph's role as a father who served his family with charity and humility, adding, "Our world today needs fathers."

### PRAYER TO ST. JOSEPH

To you, O blessed Joseph, do we come in our tribulation, and having implored the help of your most holy Spouse, we confidently invoke your patronage also.

Through that charity which bound you to the Immaculate Virgin Mother of God and through the paternal love with which you embraced the Child Jesus, we humbly beg you graciously to regard the inheritance which Jesus Christ has purchased by his Blood, and with your power and strength to aid us in our necessities.

O most watchful guardian of the Holy Family, defend the chosen children of Jesus Christ;

O most loving father, ward off from us every contagion of error and corrupting influence;

O our most mighty protector, be kind to us and from heaven assist us in our struggle with the power of darkness.

As once you rescued the Child Jesus from deadly peril, so now protect God's Holy Church from the snares of the enemy and from all adversity; shield, too, each one of us by your constant protection, so that, supported by your example and your aid, we may be able to live piously, to die in holiness, and to obtain eternal happiness in heaven. Amen.

**REFLECTION – What I Came to Do....** Jesus is exhausted. His power to cure illness made him a free doctor. At the time physicians were primitive and usually ineffective. The sick were thought to be "possessed" by evil spirits, rather than germs. The devil has successfully side-tracked Christ's true ministry. This explains his somewhat strange response when Peter announces that "...everyone is looking for you." Jesus proclaims that it is time to move on to other areas. In effect, he is abandoning his home base in Caphernaum. Our Lord reveals the real focus of his career. He is a teacher with the most important lessons that will ever be shared. He does not want to be a healer, but an educator. He came to teach the way to eternal life in God.

## LENT 2021

Lent is the 40-day season of penance in preparation for the celebration of the greatest event in human history: the redemption of the human race by Jesus Christ. Lent begins Ash Wednesday, February 17, 2021 and ends on Thursday, April 1, followed by the Sacred Triduum, April 1-3, and Easter Sunday, April 4.

### Lenten Disciplines

“All Christians, by the nature of their lives, are obliged to live in a spirit of penance whereby our exterior acts of prayer, self-denial and charity bear witness to the inner values of our Faith.”

The Church specifies certain practices of penance during the season of Lent.

1. Self-imposed observance of fasting on all weekdays of Lent is strongly recommended.
2. Catholics are obliged to fast and abstain from meat on Ash Wednesday, February 17 and Good Friday, April 2.
3. The Fridays of Lent are obligatory days of abstinence.
4. Catholics age 14 and older are bound by the law of abstinence.
5. The law of abstinence forbids the eating of meat.
6. The law of fasting is obligatory for Catholics from the age of 18 through age 59.
7. The law of fasting prescribes that only one full meal be taken per day; the other meals, if needed, should be significantly smaller, but in accord with one's health needs. Fasting assumes avoidance of food between meals.

### The “substantial observance” of these laws is a grave obligation; that is:

1. Anyone who neglects all forms of penance, or deliberately shows contempt for the Church's penitential discipline, may be guilty of serious sin.
2. Occasional failure to observe penitential regulations is not seriously sinful.
3. Proportionately grave circumstances – sickness, dietary needs, social obligation – excuse from the obligation of fast and abstinence, but not from seeking out other forms of penance.

## CUARESMA DE 2021

La Cuaresma es una temporada de 40 días de penitencia en preparación para la celebración del gran evento de la raza humana: la redención realizada por Jesucristo. La Cuaresma este año da comienzo el miércoles 17 de febrero, y termina el jueves 1 de abril, seguida del Santo Triduo del 1 al 3 de abril, y la Pascua, el 4 de abril.

### Disciplinas Cuaresmales

“Todos los Cristianos, por su cristianismo, tienen la obligación de vivir en un espíritu de penitencia para que nuestros actos exteriores de oración, de abnegación y de caridad puedan testificar a los valores interiores de nuestra Fe.”

#### I. La Iglesia especifica ciertas prácticas de penitencia durante la temporada de Cuaresma:

1. Se recomienda fuertemente que cada uno por su propia cuenta ayune los días de semana durante la Cuaresma.
2. Los católicos están obligados a ayunar y a abstenerse de comer carne el 17 de febrero, Miércoles de Ceniza, y el 2 de abril, Viernes Santo.
3. Los viernes de Cuaresma son días de abstinencia obligatoria.
4. Los católicos de 14 años o más están obligados por la ley de abstinencia.
5. La ley de abstinencia prohíbe comer carne.
6. La ley de ayuno es obligatoria para los católicos de 18 a 59 años de edad.
7. La ley de ayuno prescribe que solamente se debe comer una comida completa al día. Las otras comidas, si necesarias, deberán ser más pequeñas, pero de acuerdo a las necesidades de salud de la persona. Se asume que durante el ayuno se debe evitar comer entre comidas.

#### II. La observación sustancial de estas leyes es una obligación grave. Esto significa que:

1. Alguien que se niegue a observar cualquier forma de penitencia Cuaresmal, o deliberadamente muestre desprecio por la disciplina penitencial de la Iglesia, puede que ser culpable de serio pecado.
2. Fallar ocasionalmente en la observación de estos reglamentos penitenciales no incurre en serio pecado.
3. Sin embargo, graves circunstancias como: enfermedades, necesidades en la dieta, obligaciones sociales, son excusas de la obligación de ayuno y abstinencia, pero no de buscar otras formas de penitencia.
