YEAR THE YEAR OF ST. JOSEPH... In making his declaration, Pope Francis noted that this year marks the 150th anniversary of the saint's proclamation as patron of the Universal Church by Pope Pius IX on Dec. 8, 1870.

Pope Francis said the coronavirus pandemic has heightened his desire to reflect on St. Joseph, as so many people during the pandemic have made hidden sacrifices to protect others, just as St. Joseph quietly protected and cared for Mary and Jesus.

"Each of us can discover in Joseph -- the man who goes unnoticed, a daily, discreet and hidden presence -- an intercessor, a support and a guide in times of trouble," the pope wrote.

He also said he wanted to highlight St. Joseph's role as a father who served his family with charity and humility, adding, "Our world today needs fathers.

PRAYER TO ST. JOSEPH

To you, O blessed Joseph, do we come in our tribulation,
and having implored the help of your most holy Spouse,
we confidently invoke your patronage also.

Through that charity which bound you to the
Immaculate Virgin Mother of God and through the paternal love
with which you embraced the Child Jesus,
we humbly beg you graciously to regard the inheritance
which Jesus Christ has purchased by his Blood,
and with your power and strength to aid us in our necessities.

O most watchful guardian of the Holy Family,
defend the chosen children of Jesus Christ;
O most loving father, ward off from us every contagion
of error and corrupting influence;
O our most mighty protector, be kind to us and from heaven
assist us in our struggle with the power of darkness.

As once you rescued the Child Jesus from deadly peril,
so now protect God's Holy Church from the snares of the enemy
and from all adversity; shield, too, each one of us by your constant protection,
so that, supported by your example and your aid,
we may be able to live piously, to die in holiness,
and to obtain eternal happiness in heaven. Amen.
