2020-2021 Car Pool/Emergency Contact

It has come to our attention that students are being picked up by individuals other than parents or emergency contact person. Our policy has always been to allow only those individuals listed in student records to pick up a student.

For our students' safety, please help us with updating our files. Many parents carpool or have a friend/family member pick up their child(ren) from religion. Please list the names of family/friends that have permission to pick up your child from religious education class.

I give permission for my child(ren): _____

To be picked up from Religious Education by:

Name	Phone Number
_____	_____

Please make sure you keep the religious education office informed of any changes throughout the year.
