

## The Temptation of Christ Chart (Temptation, Concupiscence, Sin, Beatitudes, Penance, Evangelical Counsels)

<p>Temptations of every Human. What do we want? God can give these to us, but we have (concupiscence), the tendency to grasp for these things ourself, apart from God, as Adam and Eve did in the Garden.</p>	<p>There three temptations to Power, Pleasure and Possessions are spoken about by the Apostle Saint John. Read 1 John 2:16. Match the temptations Saint John writes about with the three temptations of every human.</p>	<p>How do the seven deadly sins fit into the three temptations?</p>	<p>Jesus, the Son of God, who took on human flesh was also tempted in these ways by Satan. The same evil one who tempted Adam and Even in the Garden took his try at tempting Jesus. In the Garden there was defeat for man; in the desert (the new garden) there is victory. What are the three temptation of Christ?</p>	<p>What is Christ's first sermon that battles the seven deadly sins? The Beatitudes.</p>	<p>What does the Church as us to intentionally focus on during Lent with an increased zeal? Penance. What is penance?</p>	<p>What are the Evangelical Councils that Christ lived and the Christians are called to live?</p>
