No foundation orders will be accepted without a sketch or drawing. The grave holder must present the deed and pay for the foundation at the time of placing the order.

Only one monument is permitted on each plot. No foot stones or markers are permitted except Government Markers. A Government Marker must be of the flat granite type. This must be removed if a family monument is later installed.

Flowers and Plantings

Floral plantings are restricted. Flowers, no higher than 1 foot, may be planted only in the 18 inches at the head of the grave or plot, in front of monument or monument space. Deed holders are not permitted to put any boundaries around graves, plots or planting areas. This includes brick, stone, wire, wood, etc.

No artificial flowers, plastic decorations, or vigil lights are permitted on graves or stones.

Small evergreens, up to 3 feet 6 inches, may be placed at head of plot on either side of the monument on two graves or more. No shrubs are permitted on single graves. Shrubs should be a slow growing variety, so they will not encroach on the plot of another deed holder. Azaleas and similar bushes are not permitted.

Christmas evergreen pillows are permitted within the 18 inch boundary mentioned above. Wreaths are permitted. Other decorations not appropriate in a Christian cemetery will be removed (including items such as plastic Santa Claus, Christmas trees, messages to deceased, vigil lights, *et cetera*)

Glass or breakable vases are forbidden and will be removed. Flower pots are not permitted on top of graves.
