RCIA

Why Attend Church...Church is only the social organization on earth where genuine and lasting forgiveness and reconciliation ever occurs. So, why do you want to attend church? One good reason is that the forgiveness and reconciliation is the greatest need of the human heart, and church is the source of where it happens, both between you and God, and between you and other people. How about a second good reason for attending church? Here it is...Church attendance lengthens your life. Several recent scientific studies have concluded that regular attendance at religious services improves your health. It is good for your body. People who attend church at least once a week have healthier immune systems, have lower blood pressure, and are less vulnerable to disease. But do you want to know the most important reason why you should be in church each week? Come to RCIA classes which begin September 30, 2019 at 7pm in the Chapel at St. Mary's. Want to know more about your faith? Need to finish your Sacraments? All are welcome. There is no charge. Questions? Ask Fr. Chris or Deacon Hank.

Father of goodness and love hear our prayers for the sick members of our community and for all who are in need. Amid mental and physical suffering may they find consolation in your healing presence. Show your mercy as you close wounds, cure illness, make broken bodies whole and free downcast spirits. May these special people find lasting health and deliverance, and so join us in thanking you for all your gifts. We ask this through the Lord Jesus who healed those who believed. Amen.
