### THE MASTER'S PLAN PROJECT

The 4<sup>th</sup> Grade Religious Education Class has learned that everything we are given in life; our money, our talents, our time, our knowledge, etc. was never meant for us to keep. God expects us to share it willingly with others, especially those in need. Each child was given \$10 and asked to use it wisely in the Master's name.

***Kylie Agar is the first to complete this project. Kylie used her \$10 to put together a gift basket. Then at her family Christmas celebration she raffled it off. Kylie turned her \$10 into \$205 and donated the money to the ASPCA.*** Kylie's project was done in loving memory of Glenn Kuriplach, Francis Lawless and Grandfather David Blakely. May we learn from Kylie and challenge ourselves to look at the gifts God has given us and use them wisely, so that at the end of our lives on earth God will say to us, "You have been a good and faithful servant. Come, you have inherited eternal life."

***"As each one has received a special gift, employ it in serving one another as good stewards of the manifold grace of God."***

1 Peter 4:10

*Father of goodness and love hear our prayers for the sick members of our community and for all who are in need. Amid mental and physical suffering may they find consolation in your healing presence. Show your mercy as you close wounds, cure illness, make broken bodies whole and free downcast spirits. May these special people find lasting health and deliverance, and so join us in thanking you for all your gifts. We ask this through the Lord Jesus who healed those who believed. Amen.*
