FAST AND ABSTINENCE

During Lent, Catholics in the United States abstain from meat on Ash Wednesday and on all the Fridays of the season.

They fast on Ash Wednesday and Good Friday. They are encouraged to continue the fast on Holy Saturday as well, in union with those preparing for baptism. On a fast day, people eat only one full meal: they may also eat two partial meals and should not snack.

Fasting is more effective when sustained by other practices such as prayer, charity, and almsgiving.

Lenten liturgical prayers presume that the community is supporting its prayer with fasting and its fasting with prayer.

Everyone age 14 and older is bound by the law of abstinence.

Younger children are to be educated in its significance.

Other Catholics are expected to avoid meat on Ash Wednesday and the Fridays of Lent. However, fasting binds those from 18 to 59 years old. Catholics younger and older than that need not fast on Ash Wednesday and Good Friday.

Nonetheless, fasting is a praiseworthy penitential practice, even when it is not required.

Throughout the year Catholics fast from food and drink one hour before sharing communion.

Spring can't get here fast enough!

The "Winter Blues" have got to go.

Let's get rid of the "blues" and the stigma of mental illness.

There is SUPPORT.

We are called NAMI

(The National Alliance of Mental Illness).

The program is

NAMI FAITHNET.

There will be an hour-long presentation on

Saturday, May 19th at 3:00 pm

in the Cardinal O'Connor room at

St. Anastasia Church. The address is

21 North Main Street, Harriman, New York 10926. Light refreshments will be served.

Following the question and answer segment, everyone will be welcomed to attend the 5:00 pm Mass.

This is OPTIONAL. In my opinion, we can all be grateful for the blessings of support.

REGISTRATION IS ON A FIRST COME FIRST SERVE BASIS. REGISTRATION IS REQUIRED.

Please contact NAMI Presenter,

Edie Famularo, at 845-238-2348

or Email her at Actonfaith@optimum.net with questions regarding the program or to register. Thank you.

RESPECT LIFE

From the Archdiocese of NY

In his annual budget, Governor Cuomo included a radical bill (S.7511) that would eliminate virtually all limitations on abortion in New York State.

It would ensure that abortion is legal through all nine months of pregnancy, for any reason; it would allow for more late-term abortions, even though studies show that a fetus experiences pain at 20 weeks; it would eliminate the law that requires that a baby born alive after an abortion be given adequate health care, even though as many as 5 to 10% of babies in late term abortions are born alive; it would permit non-doctors to do abortions, which would endanger the health of woman; and it would eliminate all penalties for abortions – so even if an abortion was against the mother's will (involuntary or coerced), or if an unborn child is deliberately targeted for an act of violence, it could not be prosecuted.

New York State already has far too many abortions.

We don't need broader abortion laws.

We need our law to respect human life at all stages.

This is particularly dangerous, because the law requires a budget to be passed by April 1.

Please contact your state legislators and Senator John Flanagan Temporary President and Majority Leader to oppose this extreme bill.

To do so, visit www.nyscatholic.org and click on "Take Action".

You can also go to www.newyorkersforlife.org to keep up on the latest developments.

Please make the call as soon as possible.

UNA FRESCA PERSPECTIVA DE LAS LECTURAS DOMINICALES

SU PALABRA HOY *por el Reverendo William J. Reilly*
Cuarto Domingo de Cuaresma

11 de marzo de 2018

“Dios, que es rico en misericordia, por el gran amor con que nos amó aún cuando estábamos muertos a causa de nuestros pecados, nos hizo revivir con Cristo – y con Cristo Jesús nos resucitó y nos hizo reinar con él en el cielo... ustedes han sido salvados por su gracia. Esto no proviene de ustedes, sino que es un don de Dios.”

Quizá sea muy difícil para nosotros apreciar la necesidad que tenemos del trabajo Salvador de Jesús. Ya que hemos sido redimidos por El, y experimentamos Su presencia y amor, olvidamos la gran necesidad que existió siempre de un Salvador. Tal vez deberíamos cambiar las palabras de San Pablo y escribir 'el gran amor con que nos ama'.

Puede que olvidemos los efectos de la gran tormenta Sandy, el terremoto en México, los huracanes del pasado otoño, los fuegos forestales de California, mientras los efectos devastadores aún se sienten. De la misma forma que nuestros pecados y necesidad de redención hoy.

Nuestras prácticas de Cuaresma nos llaman a admitir nuestra necesidad hoy y a través de la oración, obras de Misericordia y los Sacramentos de la Reconciliación y Eucaristía, nos movemos más cerca al Señor. Recuerde, es el don de Dios para nosotros y abrimos nuestros corazones hoy para recibirlo. Que podamos buscar perdón y gracia en el Sacramento de Reconciliación, yendo a confesión antes del Domingo de Pascua.
